Far, far away, in another galaxy, the knights of the Solstar Order, defenders of justice and truth, have been ambushed by the evil magicians, the Dire Wraiths. The Solstar Order has prevailed and is now seeking out their scattered enemies.

One of these knights has followed the trail of the Dire Wraiths all the way to Earth. This one, the Dire Wraiths fear more than all others. This one has hounded them and kept them underground for centuries. This one alone could wipe them off the face of creation.

*He is ROM,
Lord of the Solstar Order.
Rom, the Wraithslayer.*
