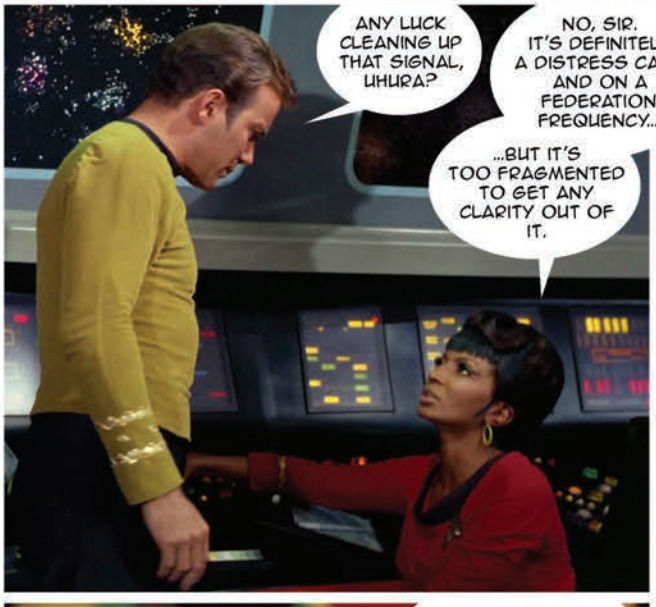
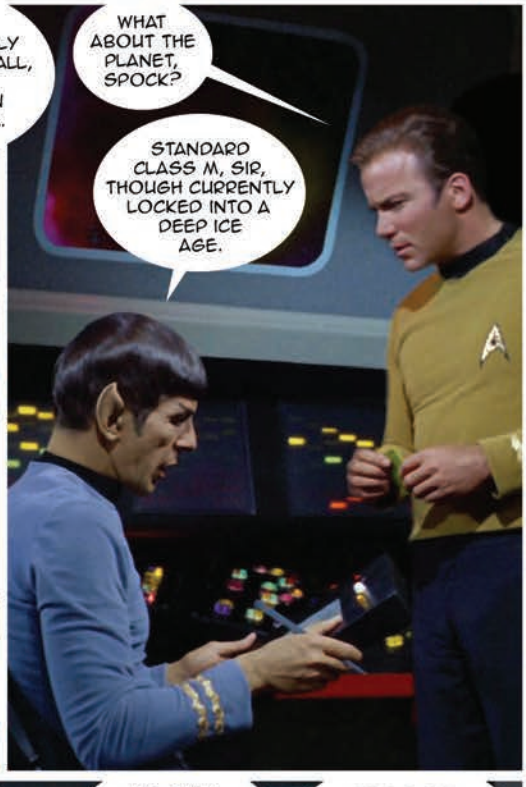
NCC-1701
CAPTAIN'S LOG, STARDATE 6399.4...
APPROACHING PLANET ARTEMYS 314. LT. UHURA HAS PICKED UP WHAT APPEARS TO BE A DISTRESS CALL FROM THE FEDERATION SCIENCE TEAM ASSIGNED THERE.

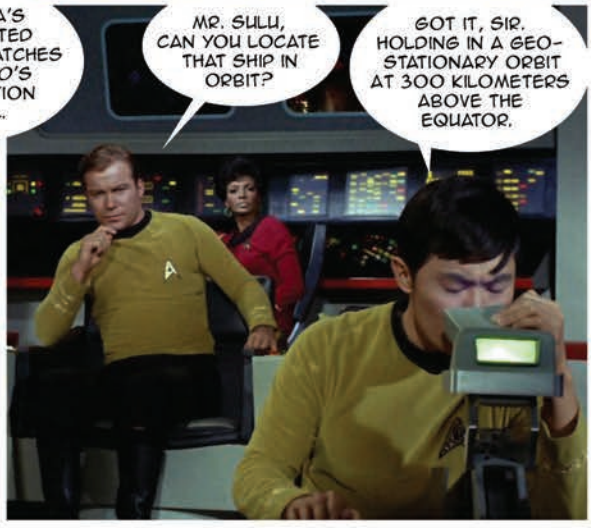


ANY LUCK CLEANING UP THAT SIGNAL, UHURA?
NO, SIR. IT'S DEFINITELY A DISTRESS CALL, AND ON A FEDERATION FREQUENCY...
...BUT IT'S TOO FRAGMENTED TO GET ANY CLARITY OUT OF IT.



WHAT ABOUT THE PLANET, SPOCK?
STANDARD CLASS M, SIR, THOUGH CURRENTLY LOCKED INTO A DEEP ICE AGE.

ACCORDING TO STAR FLEET RECORDS, THE S.S. GIORDANO BRUNO WAS SENT HERE SIX WEEKS AGO TO STUDY THE ENVIRONMENTAL EFFECTS.
LT. UHURA'S FRAGMENTED MESSAGE MATCHES THE BRUNO'S REGISTRATION SIGNAL.



MR. SULU, CAN YOU LOCATE THAT SHIP IN ORBIT?
GOT IT, SIR. HOLDING IN A GEO-STATIONARY ORBIT AT 300 KILOMETERS ABOVE THE EQUATOR.

ON SCREEN.
ON SCREEN SIR. MAGNIFICATION FOUR.
ALBION CLASS SCIENCE VESSEL. RUNNING ON AUTOMATIC SYSTEMS.
NO INDICATION OF LIFE ABOARD.
THE BRUNO IS LISTED AS HAVING A CREW COMPLIMENT OF FIFTEEN...
...INCLUDING TWO FAMILIES WITH CHILDREN.
THEY TOOK CHILDREN TO A PLANET LIKE THIS?
THEY WOULD HAVE HAD NO REASON TO PRESUME ANY DANGER, SIR.
THERE ARE NO SURVIVING LIFE FORMS, NO INDICATIONS OF INDUSTRIALIZATION OR INHABITATION OF ANY KIND.
STILL... CHILDREN ON A SPACESHIP DOESN'T SEEM VERY... LOGICAL.
ALL RIGHT, SPOCK, WE'LL TAKE A LOOK AROUND.
UHURA, CALL DR. MCCOY AND A SECURITY TEAM TO THE TRANSPORTER ROOM.
SCOTTY, YOU TAKE A SECOND TEAM AND INVESTIGATE THAT SHIP.
AYE, SIR!
MR. CHEKOV, Y'RE UP!

IT'S DEFINITELY A PUZZLEMENT, CAP'N!
I'VE SCANNED EVER' SQUARE CENTI-METER OF THAT SHIP..
...AN' THERE'S NARY A SIGN OF LIFE T'BE FOUND!
ALTHO' THERE IS AN INDICATION OF MOVEMENT!
A SPACE-BORNE MARIE CELESTE?
CHECK IT OUT FROM BOW TO STERN, SCOTTY.
I WILL THAT, CAP'N!
I'VE ALREADY LOOKED UP TH' PLANS T'PLOT OUT TH' MOST EFFICIENT SEARCH PATTERN.
ALL ABOARD, GENTLE-MEN!
I'LL TRY T'SET Y'DOWN AS CLOSE T'TH' SCIENCE BASE AS I CAN!
TRY?
YOUR BEST WILL BE MORE THAN GOOD ENOUGH, MISTER SCOTT!
ENERGIZE!
RIGHT, TRANSPORT COMPLETE!
LET'S GET A MOVE ON, LADS.
S.S. GIORDANO BRUNO
UFR-1439
"I WANT TO KNOW WHAT THIS "MARIE CELESTE" IS HIDIN' FROM US!"

Space, the Final Frontier. These are the voyages of the starship *Enterprise*.
Its Five-year mission: to explore strange new worlds. To seek out new life, and new civilizations.
To boldly go where no man has gone before.

"ALL THE AGES FROZEN"

CAPTAIN'S LOG, SUPPLEMENTAL...

THERE IS A STING OF DRY, BITING COLD EVEN BEFORE WE ARE FULLY MATERIALIZED. AS SPOCK HAD WARNED, THIS WORLD IS NO PLACE FOR HUMAN LIFE.

DEDICATED TO THE TALENTED PERFORMERS, CRAFTSMEN AND TECHNICIANS WHOSE WORK IS REPRESENTED HERE

EVEN SO, A FEDERATION SCIENCE TEAM HAD COME HERE, BRAVING THE UNKNOWN IN THEIR QUEST TO STRIP THE UNIVERSE OF ITS SECRETS.

WELL, THIS IS DOWNRIGHT BALMY!

WHAT DID YOU SAY WAS THE SURFACE TEMPERATURE, SPOCK?

MINUS ONE HUNDRED FORTY DEGREES CELSIUS, DOCTOR.

ADJUST SUIT TEMPERATURE FOR PERSONAL COMFORT.

WHAT ABOUT THAT BASE, SPOCK?

READINGS INDICATE IT IS TWO KILOMETERS DUE SOUTH.
THEN LET'S GET MOVING. IT'S STARTING TO GET DARK.
OH, GOOD! TROMPING OVER SNOW AND ROCKS AT NIGHT!
THIS DAY JUST KEEPS GETTING BETTER!
COULDN'T SCOTTY HAVE PUT US DOWN CLOSER TO THE BASE?
REGRETTABLY, NO, DOCTOR. THE SAME INTERFERENCE WHICH BROKE UP MISS UHURA'S SIGNAL...
...MADE CLEAR READINGS OF THE SURFACE NEARLY IMPOSSIBLE.
IT IS ALMOST AS IF THERE ARE LARGE AREAS OF POWER GENERATION DEEP UNDER THE CRUST.
BUT THE SURVEY TEAM THAT EXAMINED THIS WORLD EIGHT YEARS AGO FOUND NO INDICATIONS OF SUCH.
AND THEY COULDN'T HAVE BEEN WRONG, OF COURSE!
SPEAKING OF UHURA...
KIRK TO ENTER-PRISE.
WE'VE ARRIVED AND ARE HEADED FOR THE SCIENCE BASE.
ROGER THAT, CAPTAIN.
MISTER SCOTT'S TEAM HAS JUST REPORTED FROM THE OTHER SHIP.
"NOTHING TOO MUCH OUT OF THE ORDINARY OVER THERE...YET."
EVER'THIN' SEEMS TO BE FUNCTIONIN' NORMALLY.
AN' I DO MEAN EVER'THIN'! WHY'RE ALL TH' SYSTEMS ENGAGED?
AND VHY ARE THE POWER LEWELS ALL SO LOW?
