JESSICA JONES

Jessica Jones, a former costumed super hero, is now the owner and sole employee of Alias Investigations--a small private investigative firm.

Jessica is piecing her life back together after a destructive fall from grace, but her newest case isn't making things easy. Maria Hill, the recently ousted director of S.H.I.E.L.D., has hired Jessica to find out who's trying to kill her.

Jessica's investigation put her on the radar of some very dangerous people, including a deadly Life-Model Decoy of her client. She discovered that Maria seems to have put the hit out on herself before leaving S.H.I.E.L.D., and to find out more, Jessica sought out Maria's father.

He didn't make a good first impression.
