MY NEW FRIENDS

CASE NO.: 016004

CASE NO.: 016004
INVESTIGATOR: KATE BISHOP
CLIENT: Anna Donnelly

CASE OVERVIEW:

I finally tracked down my dad and it turns out not only is he in league with Madame Masque (the literal WORST), but he's using a Life-Model Decoy and gained powers of suggestion - which he tried to use on me! Like we don't have enough trust issues already. And on top of my own life falling apart around me, I just took on a new case...

DETAIL OF EVENTS:

This scared, skittish teenage girl, Anna Donnelly, showed up at my office trying to track down her dad, Liam Donnelly. Apparently he just up and disappeared, but no one's taken her seriously enough to go looking for him. She was so worried about her dad there was no way I could have turned her down.

ACTION TAKEN:

My new friends Quinn, Ramone and Johnny must have picked up on how shaken I was by this case (and my dad's) since they tried to follow me on my investigation. But there was no way in hell I was taking them with me into a sketchy underground fight club...

ADDITIONAL NOTES:

Every time I get closer to figuring the truth out about what happened to my mother it feels like I'm digging myself into a hole a little deeper and I'm not sure I'll be able to climb out.

ALSO NOW.**

I'M NOT HAPPY SHE DITCHED US EITHER, JOHNNY. BUT KATE CAN TAKE CARE OF HERSELF.

NORMALLY I'D AGREE WITH YOU, RAMONE, BUT SOMETHING'S WRONG WITH HER. BACK ME UP, QUINN.

YEAH, I AGREE WITH JOHNNY. I DON'T KNOW WHAT'S GOING ON WITH HER, BUT SHE'S NOT HERSELF. SOMETHING HAPPENED LAST NIGHT.

SHE *DID* GO A LITTLE TERMINATOR ON LARRY AT THE COFFEE SHOP EARLIER.

SEE! WE GOTTA HELP HER.

DETECTIVE RIVERA.

WHATEVER IT IS, SHE DIDN'T DO IT.

ALTHOUGH I AM QUITE SURE BISHOP *DID* "DO IT" REGARDING ANY NUMBER OF SUSPECT THINGS, I'M ACTUALLY HERE TO HELP HER.

SHE ASKED ME FOR SOMETHING AND FOR SOME INEXPLICABLE REASON I DID IT...SO WHERE IS SHE?
