THE ENORMOUS PROFIT

Part III

It is a period of opportunity. In a galaxy oppressed by Imperial forces, there is little hope for the future. But for those operating on the fringes, there is potential for profit.

Rogue archaeologist Chelli Aphra has recovered and reactivated the Rur crystal, an artifact with the consciousness of an ancient Jedi with powerful levels of technopathy, and she's selling to the highest bidder.

Aphra solicits offers from some of the biggest names on the black market. A great plan – until one client's demand to see a demonstration of Rur's technopathic abilities results in Rur possessing the body of a droid and seemingly freeing himself....
