## PREVIOUSLY:

The Guardians came into possession of a mysterious Spartaxan cube that holds a map to an object of immense power called the Cosmic Seed. The Guardians traveled to Spartax to find out why Star-Lord is the only one able to access the map and discovered that he is actually the heir to King J'Son and the Spartax Empire!

And unbeknownst to Star-Lord, J'Son has been manipulating him into finding the Cosmic Seed for Thanos!
