Necromancy?
Dark resurrection?
How?

When there's
a will,
there's
a way.

What do you
think of this
lipstick?

Alright,
then. If
you won't
tell me...

Oh, no.
No, no, no,
Ambrose, do
not invoke
the Eye of
Providence--

Too
late...

...someone's
helping you, Cousin.
Someone powerful.
Who is it?

No one. Boys are ridiculous. Just because you can't do something doesn't mean I can't.

Hold a tic, I'm seeing...

...a blonde? A brunette? Cheerleaders? Dancing in the woods?

And someone else...

Ambrose, I know you're trying to help, but--

Uh-oh. Duck.

--GET THE HELL OUT OF MY BRAIN!

Sorry, Cousin, but I did warn you...

You... did...

And now I'll warn you...

Harvey died, and that's a tragedy, but you're violating countless witch-laws for a--for a mortal. For nothing.

You stood before the Council, Sabrina. Next time, they won't be so lenient. They'll strip you of your powers. Excommunicate you.

They can try.

And not for nothing--for love.

To me, my broom.

FWPPP

I thought you two, of all people, would understand.

But no, you're as square as they come.

Don't wait up. I'll be back before dawn.

Well, that didn't go well.

Not leaving us very much choice, is she?
