

ROOAR

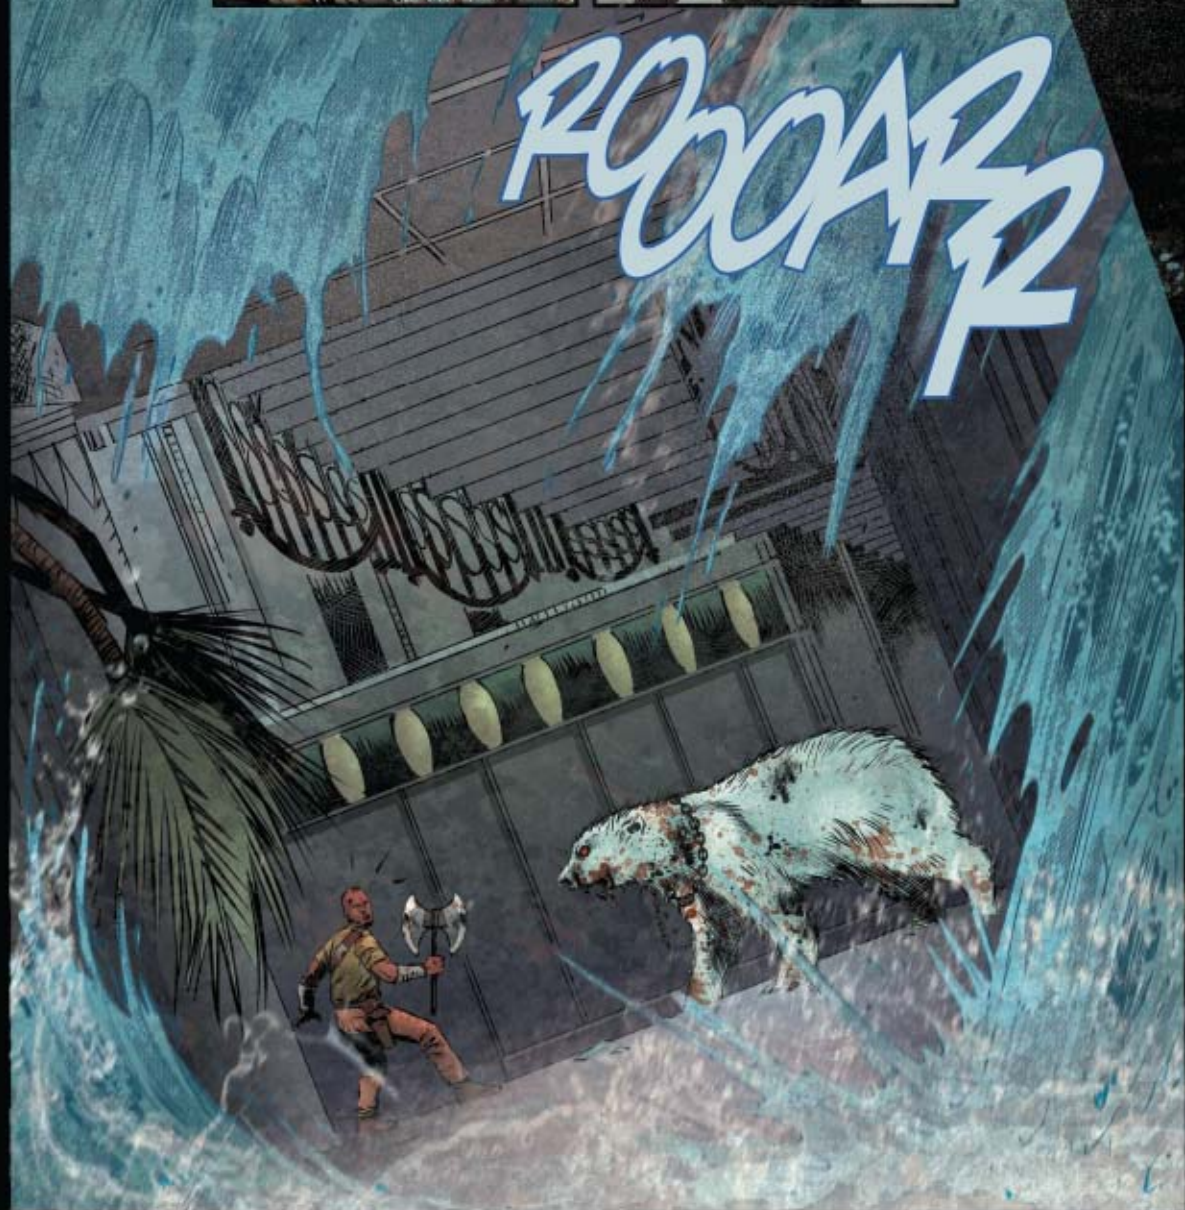

Bet you were a lot faster when you were alive.

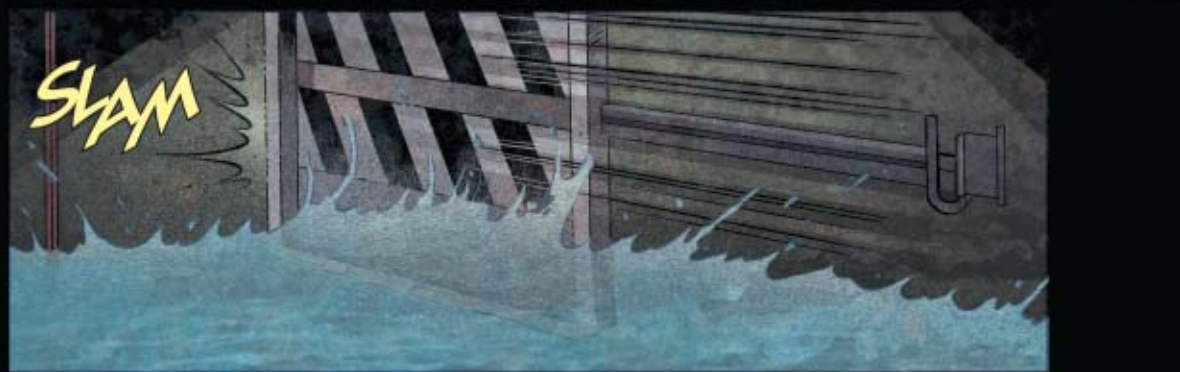

Cuter too.

Now we're--

Dammit these CHINLESS mothers keep getting in my way--

Cutter make yourself USEFUL and get that DOOR open!

Negatory, Dolly. There's some kind of safety bulkhead slammed over it.

That must be while I feel so damn safe right now.

Piece of...

Thanks.

Now drop the wrench.

Are you high?!

You're my prisoner.

Drop it.

SKRINCH

Hello? Z's? We need to get out of this together!

They may not have any JAWS but one of them could still TRIP on us, break the skin!

The only way you're gonna make me drop this thing is if you shoot me!

Either way, I'm DEAD!
