Doreen Green doesn't just study computer science - she also studies *justice*, thanks to her being born with all the powers of a squirrel *and* all the powers of a girl! With the help of her best Friends (human and squirrel), she fights crime and saves Earth on the regular. Her pals call her Doreen - which means you can too! - but if you ever see her in costume, keep her secret identity safe and call her...*The Unbeatable Squirrel Girl!*

# Squirrel Girl *in a nutshell*

**Squirrel Girl** @unbeatablesg ✓

The War of the Realms, huh? What a journey. What an adventure. p.s. Me and my friend saved all of North America for everyone, NBD

**Squirrel Girl** @unbeatablesg ✓

And what did we learn? Well heck I don't know what YOU learned while the place was overrun by Frost Giants--

**Squirrel Girl** @unbeatablesg ✓

(who are themselves operating under an unfair absolute monarchy which is really just a hereditary dictatorship, but who knows where they'll be after a year or two of agitating for positive change?)

**Squirrel Girl** @unbeatablesg ✓

(That's right! Your girl SG doesn't like dictatorships!! Squirrel Girl coming out swinging in favor of DEMOCRACY here, folks)

**Squirrel Girl** @unbeatablesg ✓

--but getting back to my original post here: I learned that maybe I shouldn't be so quick to judge people who I think are jerks.

**Squirrel Girl** @unbeatablesg ✓

It's too easy to decide you don't like someone, even when you don't know them, you know? Or you think you know them, but really you don't, because as my friend Brain Drain would say, "THE MINDS OF OTHER PEOPLE ARE A FOREIGN COUNTRY; THEY DO THINGS DIFFERENTLY THERE."

**Squirrel Girl** @unbeatablesg ✓

(Brain Drain loves his L.P. Hartley, what can I say)

**Squirrel Girl** @unbeatablesg ✓

Oh man. Reading this over, I don't know. It feels like all I'm saying is just "dOnT jUdGe a BoOk bY ITs CoVeR!" but it felt more than that, you know?

**Squirrel Girl** @unbeatablesg ✓

Like you go through life thinking that people around you are jerks, and yeah they are, but there's reasons for that, and often the underlying issues they're dealing with somehow AREN'T solved by you calling them a jerk.

**Squirrel Girl** @unbeatablesg ✓

And it's not your job to solve everyone else's issues, and it's not your responsibility to fix everyone, even if you could.

**Squirrel Girl** @unbeatablesg ✓

But you can be kind.

**Squirrel Girl** @unbeatablesg ✓

That's all I'm saying. You can be kind, even when you don't want to be, and maybe something good can come out of it. Like saving all of North America from Frost Giants and all of Earth from every other realm.

**Squirrel Girl** @unbeatablesg ✓

Earth was saved by kindness, like, three days ago so it feels pretty relevant right now??

**Squirrel Girl** @unbeatablesg ✓

OKAY! SORRY TO GET "REAL" ON "SOCIAL MEDIA," I PROMISE SQUIRREL-THEMED RETWEETS AND IDENTIFICATION OF ALL THE AMAZING SQUIRRELS IN YOUR PHOTOS WILL BEGIN AGAIN RIIIIIGHT... NOW

**Nancy W.** @sewwiththeflo

@unbeatablesg Reading reports here of "The Leader" attacking outside the Whitney art museum, Highline entrance. Gamma-powered super-genius.

**Squirrel Girl** @unbeatablesg ✓

@sewwiththeflo On it! Thanks for the heads up, concerned citizen!! I appreciate any and all CrimeTipz!!

**Nancy W.** @sewwiththeflo

@unbeatablesg ...Are we calling crime tips "CrimeTipz" now?

**Squirrel Girl** @unbeatablesg ✓

@sewwiththeflo Uh no that was just a typo, haha, definitely not something I was trying out to see how people would react to it hahaha

**Squirrel Girl** @unbeatablesg ✓

@sewwiththeflo Gotta go

**Nancy W.** @sewwiththeflo

@unbeatablesg Go get 'em, squirrel.

search!

This page inspired by Bob Dylan's 1965 hit "Subterranean Homesick Blues," in which he says, "Don't Follow leaders, watch the parking meters." This is good advice both for you, the reader (don't Follow Hulk's gamma-irradiated villain the Leader), and also for the character depicted on this page (had he watched out for parking meters more dutifully, then he wouldn't have gotten hit by one just now).

And you'd also know that Chipmunk Hunk and Koi Boi will always defend innocents too, which sometimes takes the form of defeating your "Humanoid" bots so that Squirrel Girl can deal with you directly!

That's right! You'll never beat the Fish and chips combo platter, baby!

Couldn't have said it better myself. Well done, guys!

These *Asgardian cuffs* ought to hold him--I got 'em From Thor.

Are they made from *Thorium*? I saw it on the periodic table and always wondered.

Naw, something else. I'm pretty sure Thorium's radioactive no matter what realm you're in?

Geez. Brain the size of the universe and all he can think to do with it is attack the *one* city in the world with the most super heroes per square mile.

It's his ego--he can't see his own weaknesses, so he's always way overconfident. If it wasn't for that, he'd be a lot more successful in life.

Guys, if I ever get that big a head, I want you to tell me. Metaphorically, I mean. Like if I get really egotistical.

But if I also *literally* ever get that big a head I want you to tell me that too.

Preferably while on our way to hospitals.

Mary  
texted to  
say she'll meet  
us at your  
place.

Things  
are going  
well with  
you two,  
huh?

Yeah,  
they are! They  
really are.  
It's nice.

She's this brilliant and chaotic  
engineer, I never know what  
she's gonna say next, and I never  
thought I'd fall in love with  
someone like that, but I'm really  
glad I did, you know?

I do. And  
I'm really glad  
too, Tomas. It's  
great to see  
you both  
so happy.

Nancy! Mary!  
Mew! We  
had a really  
successful  
day

Fighting crime  
as super heroes  
and

achieving  
our goals!!

Hey  
you.

Nancy, Tippy  
defeated a gamma-  
irradiated genius  
super villain  
today!

That's  
right! That's  
how *this* squirrel  
chooses to spend  
her Saturday  
mornings!

I saw on the news. Well done,  
Tips. "The Leader" brought his  
"Humandroids," yeah?

"Humandroids,"  
actually.

Does that mean the  
name "Humandroids" is available?  
Because I'mma use that.

Seems to me like it'd be safer  
*not* to infringe on the intellectual  
property of a super  
villain, Mary.

I've said it before and I'll say  
it again: If super villains aren't  
using their intellectual property  
and/or doomsday devices, then  
they should open-source them  
to the rest of us.

It's the *only*  
way culture and/or  
doomsday devices  
progress, friends.

Nobody tell The Leader that "humanoid" actually just means "shaped like a human," and it's not scary at all! Earth media is chock-full of humanoids. You or your loved ones may already be humanoids!!

HELLO, YOU  
HAVE REACHED THE VOICEMAIL OF  
BRIAN DRAYNE, REGULAR HUMAN. SOCIETY  
DICTATES I MUST NOW REQUEST YOU LEAVE A  
MESSAGE AT "THE BEEP." AS IF VOICEMAIL WERE  
SOMEHOW NOVEL, SOMEHOW NOT JUST ANOTHER  
DREARY FACT OF MODERN LIFE, KNOWN BY ALL,  
TREASURED BY NONE. THIS SHARED HUMILIATION ROBS  
AND BELITTLES US BOTH, YET IN EXCHANGE OFFERS  
UP NO DEEPER MEANING, NO REDEMPTION, FOR  
AT ITS CORE WE FIND ONLY THE MADNESS  
OF CONFORMITY AND THE CHAOS  
OF COMPLICI--

**BEEEEEP**

Straight to voicemail.

In case you're wondering: Yes, Brain Drain's voicemail recording cut him off before he could finish saying everything he wanted.  
And in case you're wondering: Yes, that was the third run he took at recording that particular message.

So Brain Drain lives in...an abandoned custodial closet in the philosophy department?

It's close to his classes, and the featureless grey walls reveal, and I quote, "essential truths that would otherwise remain obscured."

But...he should be here.

He should at least be somewhere.

I don't like it. Brian's one of my top five human Friends and easily my #1 brain-in-a-jar Friend. I'm gonna go organize a squirrel search party, just to be safe.

Good idea.

**DING**

Gah. Another one.

Another what?

It's these stupid messages I've been getting.

**ZOOOP**

There's no text, no metadata, just the same uniformly black image for days. I think someone's script messed up, but--

That means they started around when Brian disappeared. He could be the source. Let me see.

Oh my god, I should've realized--

Nope, no self-recriminations allowed. None of us knew he was missing until just now; you couldn't have known.

But there is something odd about this image...

See? Up the brightness and contrast, and it's not *actually* uniformly black. There's more going on here. We're gonna need a better interface than this phone.

Quick, chums! To the computer science lab!

Since Brain Drain is missing we won't have the chance to show it, but you should know that one of Brain Drain's hobbies is dressing up like a bat to fight both crime and heartfelt malaise so that one day all criminals will have to grapple with...the Dark Knight of the Soul.
