UNSPEAKABLE REBEL SUPERWEAPON

Part IV

Rogue archaeologist Doctor Aphra has developed quite a name for herself, not only as a brilliant scientist but also as a thief and an obtainer of valuable and dangerous ancient artifacts.

After refusing to help the Rebellion create their own Death Star using Aphra's latest score--a Jedi weapon called the FARKILLER--Aphra returned home with her ward, Vulaada, only to discover that a bounty had been put on them by Minister Pitina Voor, their latest employer.

Hoping to make a deal for protection with the Empire, Aphra planned to steal the Farkiller with the help of Wookiee bounty hunter Black Krrsantan. But her ex and latest rebel recruit, Magna Tolvan, has discovered Aphra's plan....
