BIG THUNDER MOUNTAIN RAILROAD

**ABIGAIL
BULLION**

**BARNABAS

WILLIKERS

CHANDLER

ABIGAIL BULLION just arrived in **Rainbow Ridge**, the western town built around the **Big Thunder Mountain** gold mine owned by her father, **BARNABAS T. BULLION**.

Abby came to **Big Thunder** at a tough time—business hasn't been great, and the miners have been digging deeper and deeper under foreman **WILLIKERS'** watch. Many of the men warn that the increase in accidents is a result of the anger of the spirit of **Big Thunder**.

Abby snuck into the mine and got hands-on experience with the mountain's fury when she was caught in a cave-in. She would have died if not for the help of a masked man, who was part of a crew of bandits—the very same bandits who had been stealing from the mine for months and had just taken off with a whole train's worth of gold!

Abby went after them: a crack shot named **ONAWA**, the muscle, **DOLFO**, and the leader of the crew, **Abby's savior, CHANDLER**. The crew knocked **Abby** out. When she woke up, **Onawa** had her in a precarious position...dangling upside-down off of a cliff!
