DURING THE COLD WAR, neither the United States nor the Soviet Union were content to rule the world. Both nations looked to the stars. But while the United States conquered the moon, the Soviets wanted more. They aimed for the very edge of reality itself, sending a rocket into deep space with three cosmonauts aboard.

Twenty-seven years into their journey, the three explorers encountered **THE UNKNOWN**, a strange anomaly into which two of the cosmonauts disappeared, leaving behind only Abram Adams. Fearing he would never see his pregnant girlfriend again, Abram aborted the mission and returned to Earth.

However, Abram did not escape unscathed. Arriving back on Earth and wielding the powers of a god, the being now known as **DIVINITY** amassed a group of followers in the Australian Outback. Uncomfortable with the rogue presence of a seemingly benevolent but all-powerful being, the world's first superteam **UNITY—X-O Manowar, Livewire, Eternal Warrior, and Ninjak**—attempted to make contact with Divinity.

Sensing Unity's hostility towards him, Divinity warped reality to contain the heroes in an endless loop of time. Having easily dispatched the only resistance standing in his way, Abram now tries to resume the life he left behind so long ago...

I HAD BEEN GONE MORE THAN FIFTY YEARS.

I'VE COME BACK TO YOU, EVA. I SEARCHED THE WORLD... AND TIME...

...I KNOW... IT'S BEEN SO LONG.

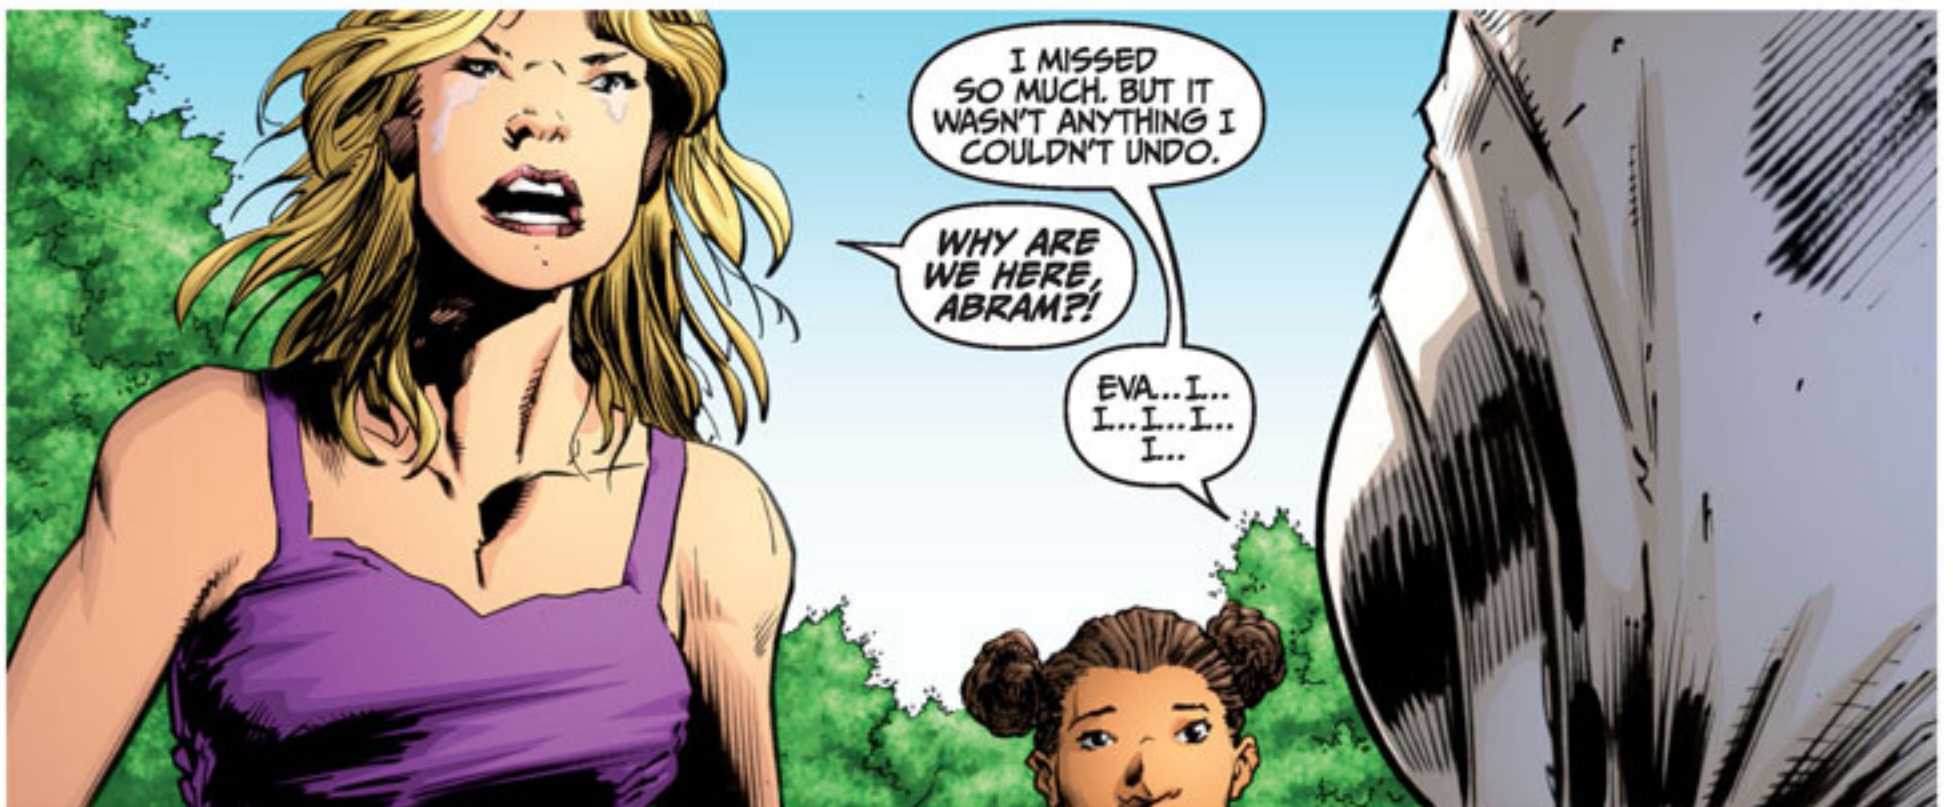

THE FIRST THING I DID WHEN I CAME BACK WAS THIS:

ABRAM...  
ABRAM... WHY ARE WE HERE? HOW?... IT'S...

I TRIED TO FIX... EVERYTHING.

WE SHOULDN'T BE HERE...

I MISSED SO MUCH. BUT IT WASN'T ANYTHING I COULDN'T UNDO.

WHY ARE WE HERE, ABRAM?!

EVA... I... I... I... I...

CONCENTRATE!  
REMEMBER WHAT  
I TOLD YOU!

HE'S  
IN OUR  
HEADS!

HE'S  
TRYING TO  
TRAP US  
AGAIN!

DIGITAL  
RECORDINGS OF HIS  
WIFE AND DAUGHTER  
ARE WORKING!

POUR  
IT ON!

EVA... MY DAUGHTER...  
THAT WAS THEN. THIS  
IS NOW...NOW...

... EARTH'S PROTECTORS  
ARE SCARED. THEY'VE  
DISPATCHED THEIR  
WARRIORS--UNITY--  
TO ATTACK.

THEIR VISION IS  
POLLUTED. THEY DON'T  
REALIZE I AM THE  
PERFECT LIVING  
EMBODIMENT OF THE  
MOTHERLAND. IF THEY  
DON'T INTERFERE, I  
CAN MAKE EVERYONE  
ON EARTH EQUAL.

I TURNED MINUTES  
OF THEIR LIVES  
INTO YEARS. TRYING  
TO GIVE THEM WHAT  
THEY WANT.

AND I REALIZE  
MY MISTAKE.

WHAT THEY  
WANT...

... IS ME.

GILAD...  
WE'VE GOT A  
PROBLEM...

Excerpt from the Gospel of David Camp:

"It was nearly a month after I was saved by Divinity. In that time, He had begun to attract even more Travelers. We were all wayward souls, attracted to something greater than ourselves."

CIVILIANS. THIS IS THE LAST THING WE NEED.

"Divinity had found us and He was actively benevolent. But ours is a fallen world. And there are many that don't recognize a higher power..."

YOU! INTERLOPERS! YOU ARE NOT WELCOME HERE!

"...or are simply afraid of it. Divinity did not need our help. But rather, we needed to help Him."

TRAVELERS? ARE YOU PREPARED TO LAY DOWN YOUR LIVES?!

"He is the leader of our journey, and we will protect him."

TAKE THEM!
