

Patsy Walker, A.K.A.

HELLCAT!

Patsy Walker used to work as an investigator for *She-Hulk*. Got laid off. Moving on.

That's me!

Jessica Jones

Tired of the problems Patsy has been causing her, Hedy hired a private investigator (*Jessica Jones!*) to dig up some dirt on Patsy...

She's been bunking with her buddy *Ian Soo* and saving up to launch a temp agency for super-powered people who aren't really interested in the hero business.

But Patsy's plans were put on hold when her high school frenemy *Hedy Wolfe* got the publishing rights to relaunch a series of embarrassing comics starring teenage Patsy and written by Patsy's late mom.

Patsy enlisted her bestie/lawyer (yeah, *She-Hulk*) to put Hedy in her place—legally, of course. But super hero distractions kept them from resolving the issue.

Yeah, you've been in there for five days straight!

There's a lot to set up! Call lists, time sheets, tax forms...

I know. You're kicking butt.

Now let's get some ice cream.

YESSSS!

Where are we going?

It's a surprise. Keep your sunglasses on and don't look at the signs!

Hmph!

We promise you'll like it.

Don't you...I mean, shouldn't we be at the office? Just in case?

Your friend Hedy dropped off the earth after our last meeting, and I frankly need a break from my other cases.

As for us, Burly Books is closed for the day while we get our air conditioner fixed.

Yeah, it's way too hot in there.

Wait. Dingy train... more than ten stops...

Mhmmm...

Jen! I solved your train mystery! We're going to...

...CONEY ISLAND!*

New York City's premiere seaside carnival town and amusement park! Don't eat the chili fries!*

***only*

Right on the money, kid. You sure you want to give up being an investigator?

I am going to eat *every* snack.

Ooh, can we do the games? I won't even use my telekinesis powers and cheat, I swear.
