Where am I? What's with all of the secrecy?
Well, as you know, this is a covert operation.
We aren't in the habit of accepting guests.
Especially when we consider who your owner is.
Clancy is a good human. Believe me.
Jury is still out on that.
Now, just follow the scent.
What is that?
Banana, nutmeg, and just to throw folks off, a little catnip.
Catnip? You must be joking.
Trust me, we can't just let anyone come here.
Wooooof. Look at this place.

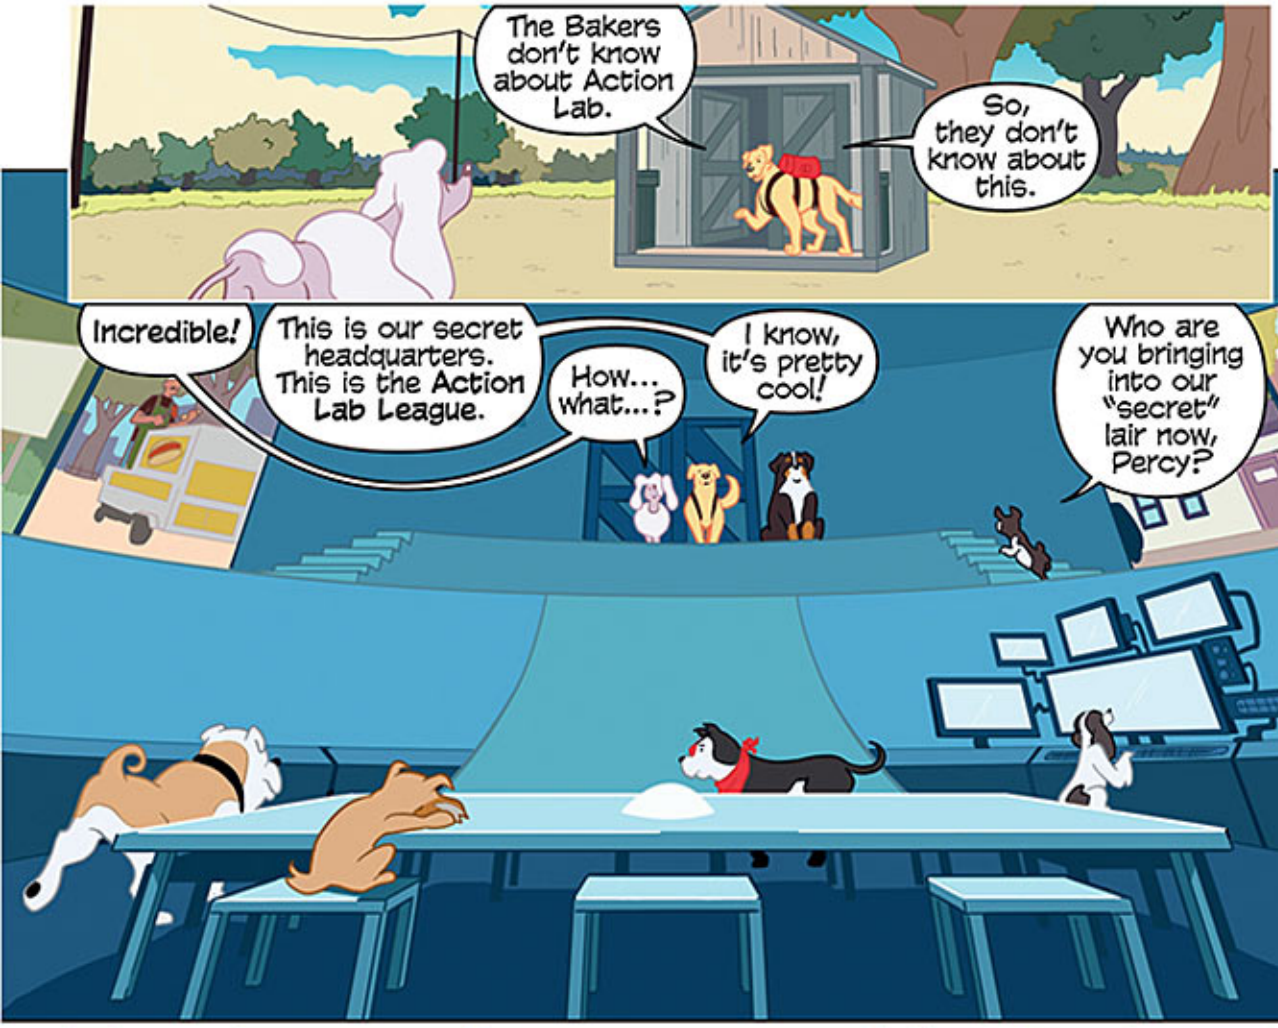
Here, I want to introduce you to two very important people.
Now, who can that be...?
Percy! You've brought another friend!
And what's your name?
Go on, you can tell them.
RAWF!
Marguerite! So happy to meet you!
Wait, how did they understand me?
The Bakers? They speak dog.
Really?
Well, yes and no.
We can understand dogs, but with any language, you have to meet each other halfway.
"Percy?"
Heh...I was named for one of King Arthur's knights.
C'mon. I have a few friends I want you to meet.

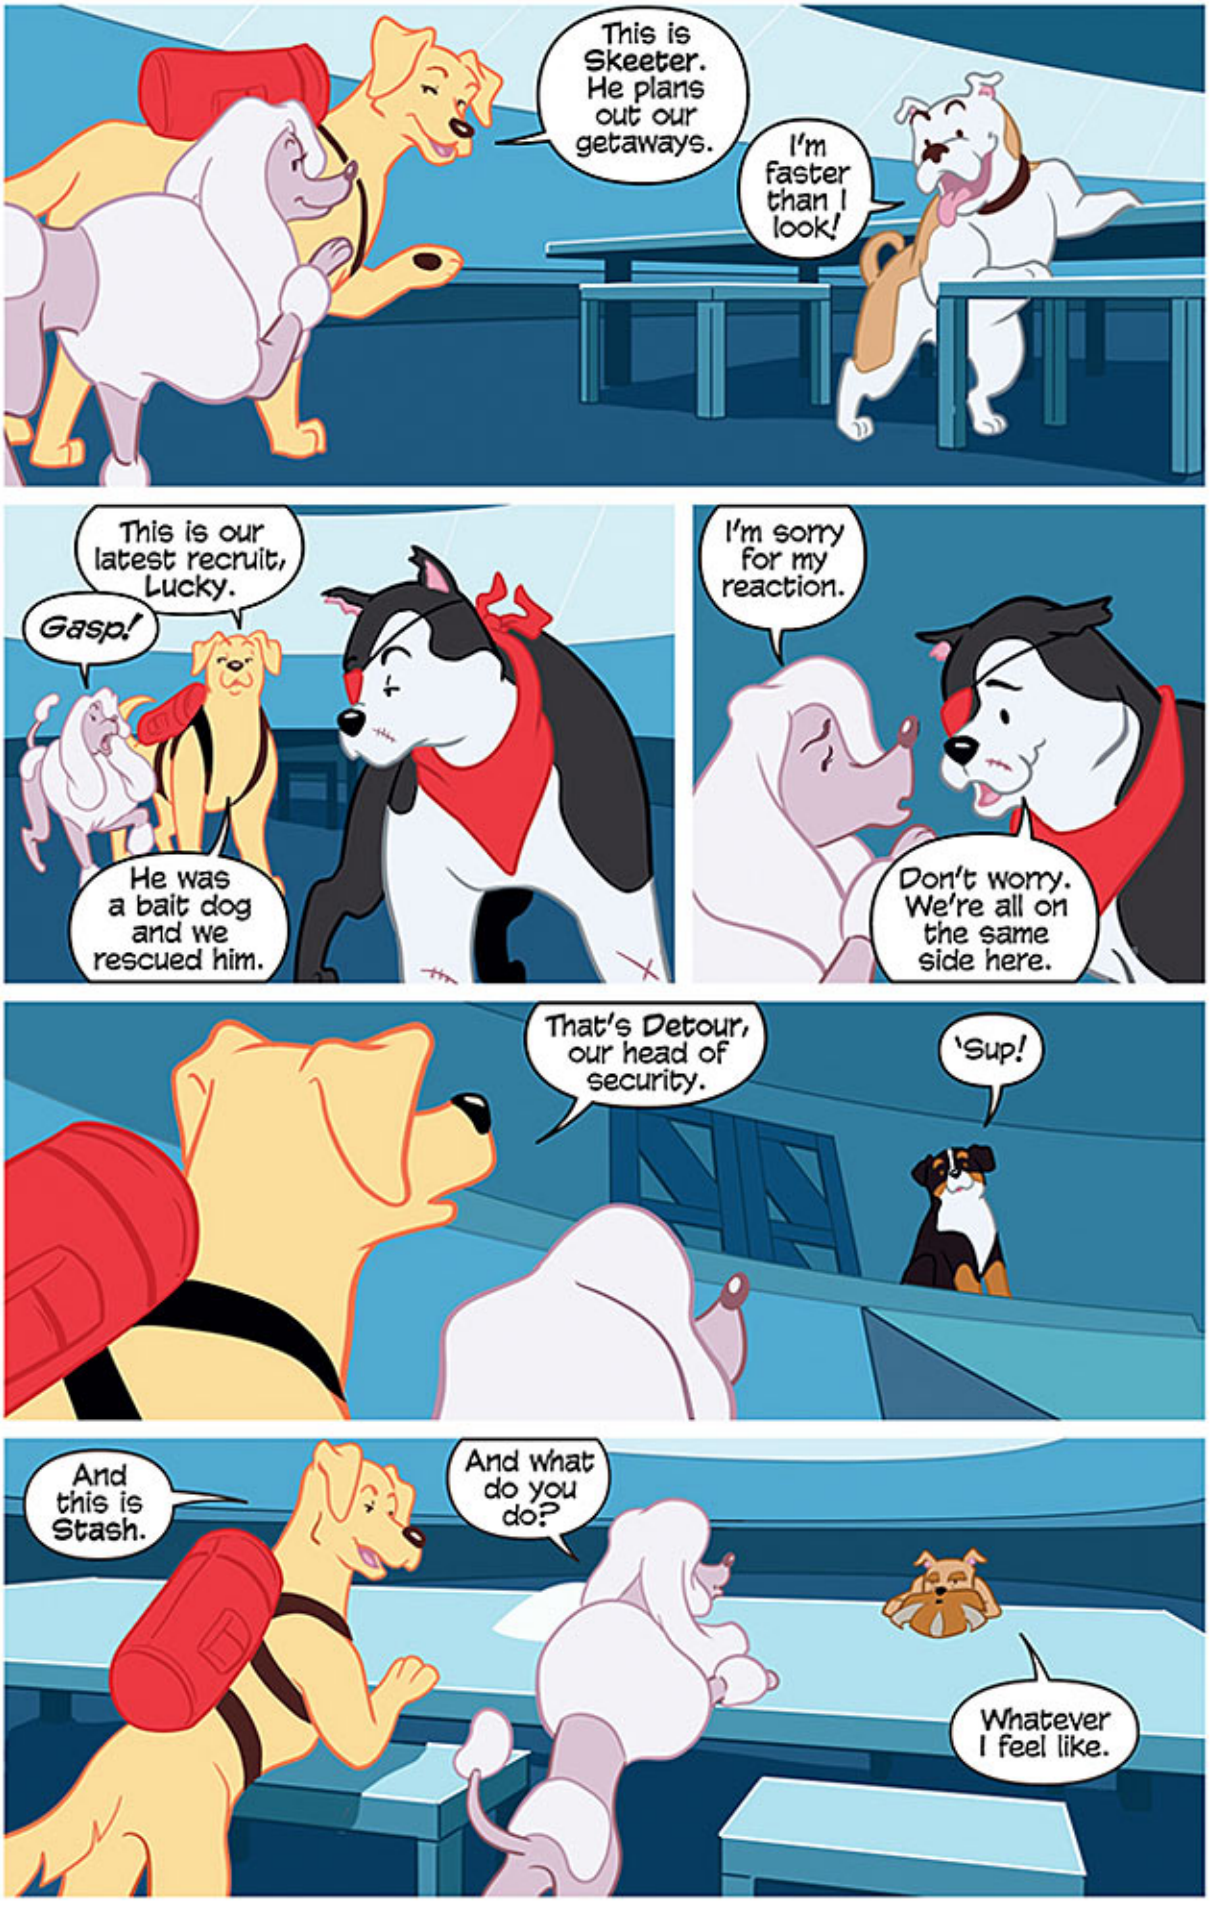


The Bakers don't know about Action Lab.
So, they don't know about this.
Incredible!
This is our secret headquarters. This is the Action Lab League.
How... what...?
I know, it's pretty cool!
Who are you bringing into our "secret" lair now, Percy?

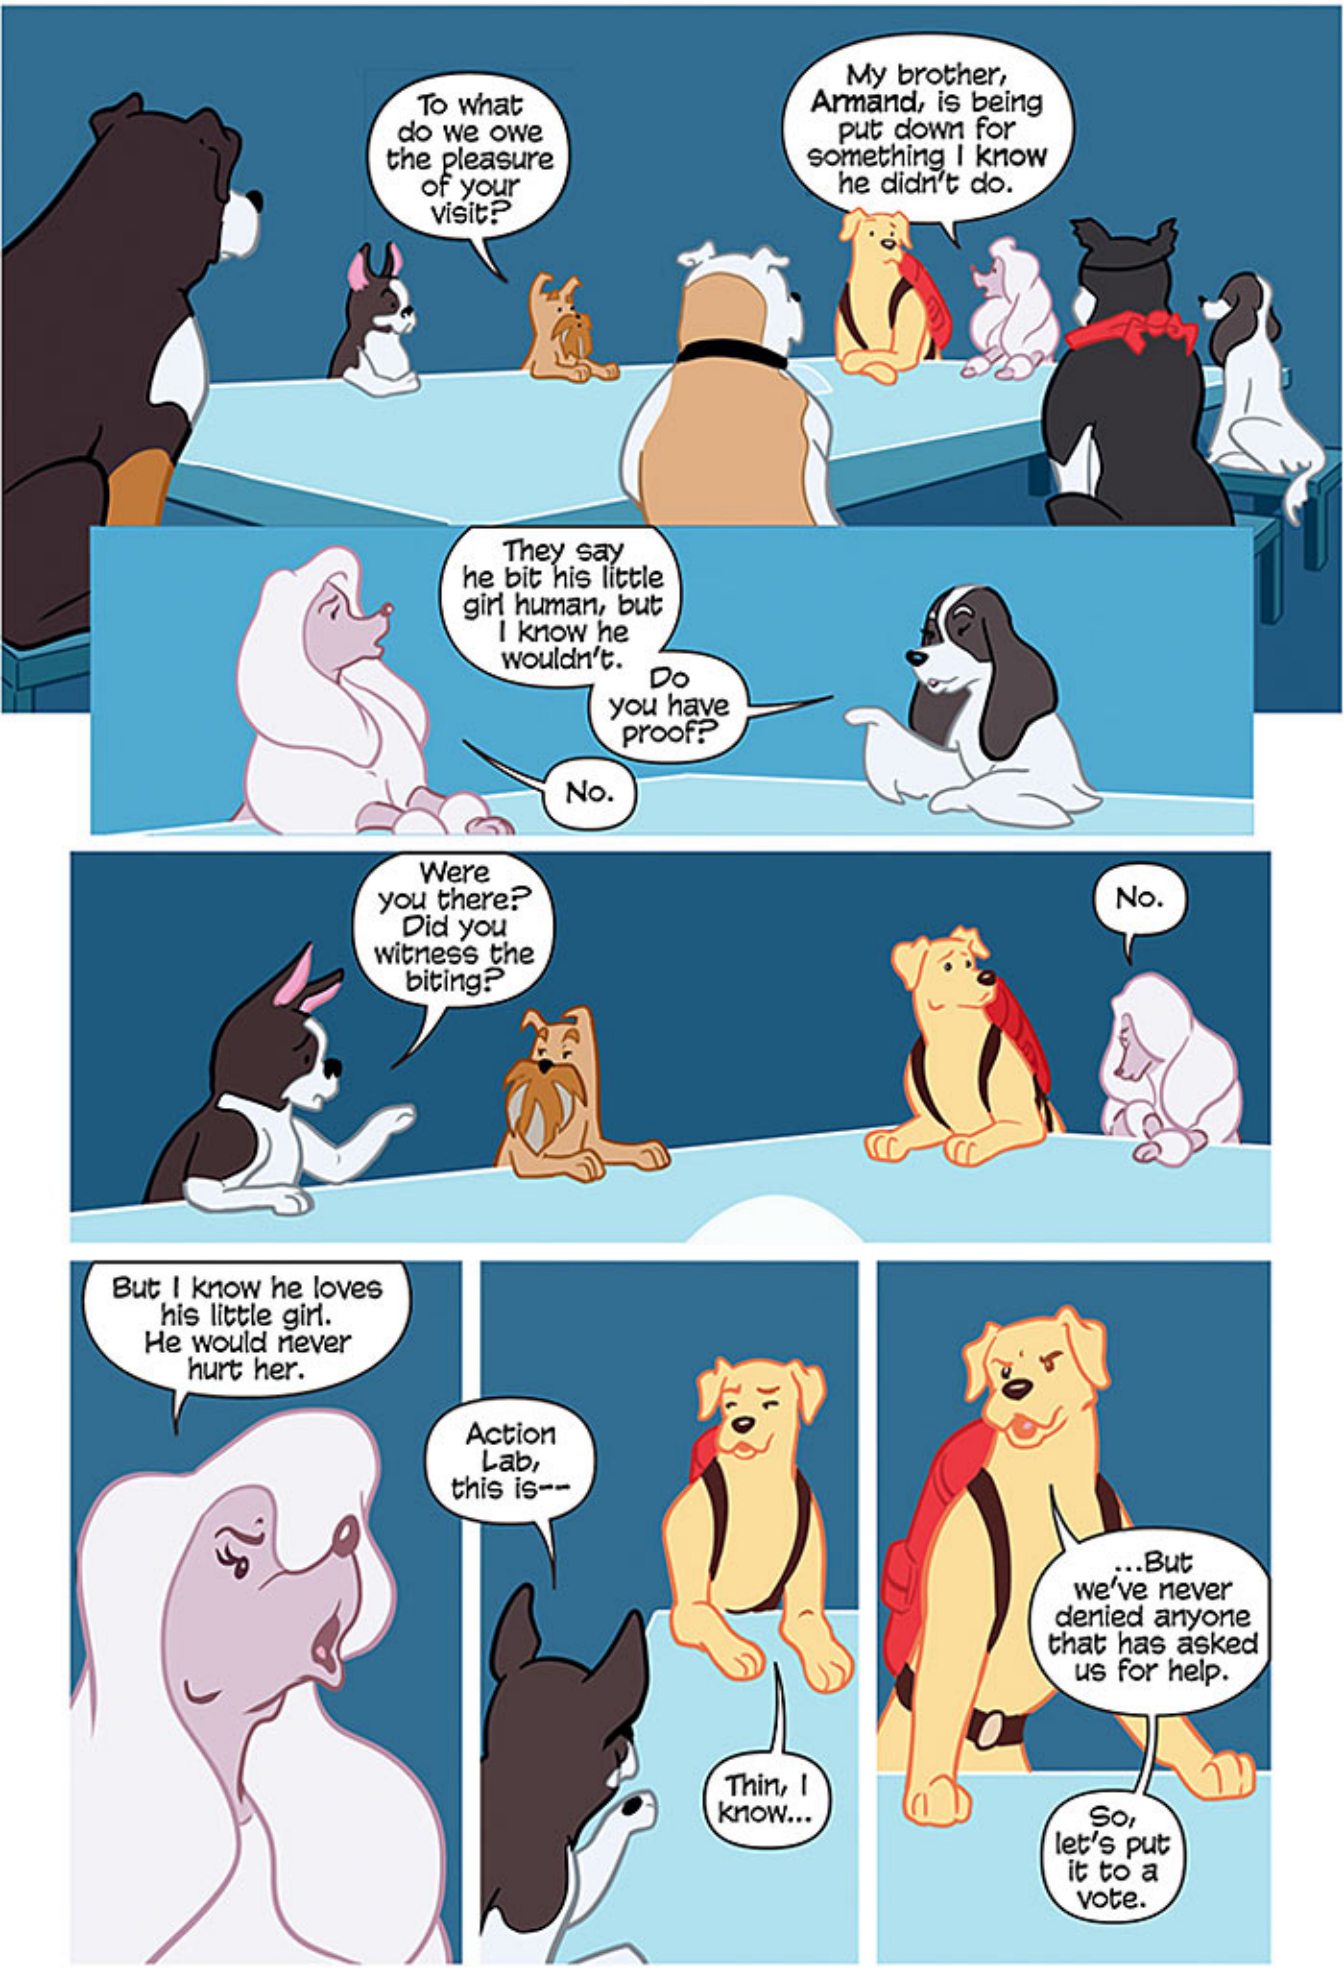
This is Marguerite. She needs our help.
You bring a lot of girls down here, do you?
Uh...this is Sniffles. He's my best friend and second in command.

Heckuva detective, too.
Pleased to meet you, Miss Marguerite.

That's Kasey. She's our tech expert.
Hi.
Her last owner was a hacker.



This is Skeeter. He plans out our getaways.
I'm faster than I look!
This is our latest recruit, Lucky.
Gasp!
He was a bait dog and we rescued him.
I'm sorry for my reaction.
Don't worry. We're all on the same side here.
That's Detour, our head of security.
'Sup!
And this is Stash.
And what do you do?
Whatever I feel like.



To what do we owe the pleasure of your visit?
My brother, Armand, is being put down for something I know he didn't do.
They say he bit his little girl human, but I know he wouldn't.
Do you have proof?
No.
Were you there? Did you witness the biting?
No.
But I know he loves his little girl. He would never hurt her.
Action Lab, this is--
Thin, I know...
...But we've never denied anyone that has asked us for help.
So, let's put it to a vote.
