

Mission Mile.
Friday afternoon.

This should be
the last of them
for the week.

Thank you
again, Corri, for
letting us use
the kitchen here.

Hey, you
already thanked me
by paying me.

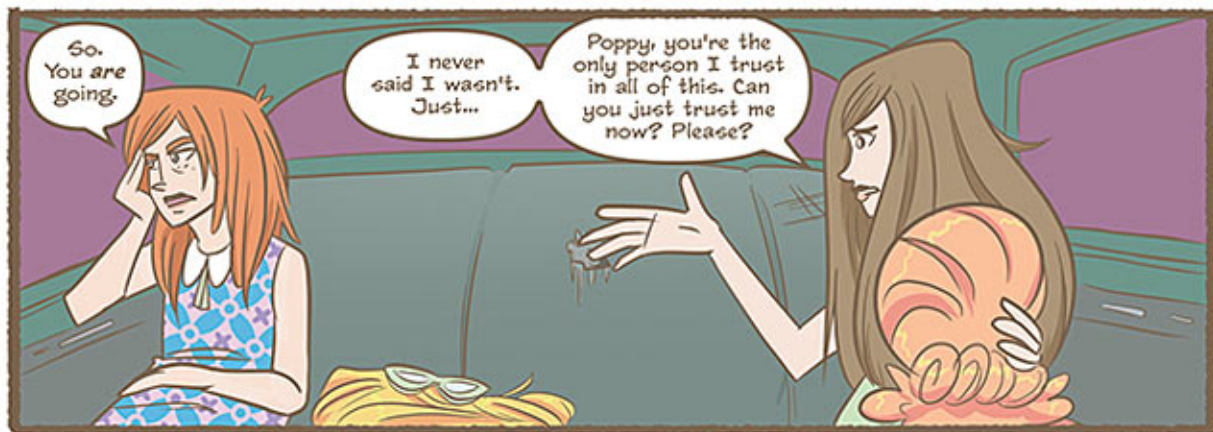

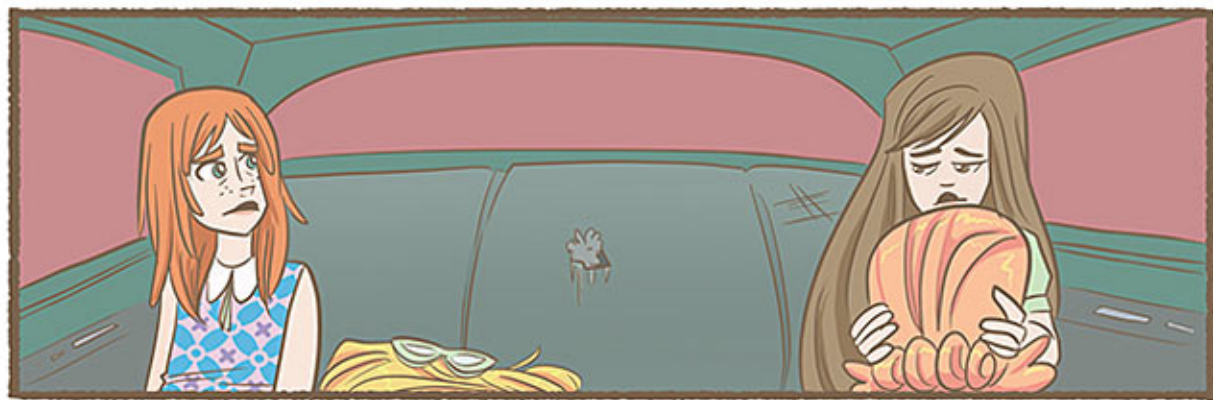

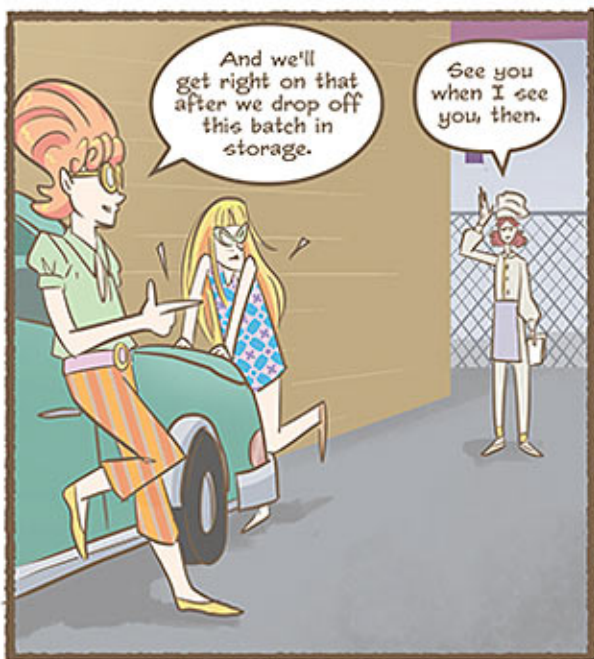

See you
next week,
then?

Yeah.
And before
I forget...

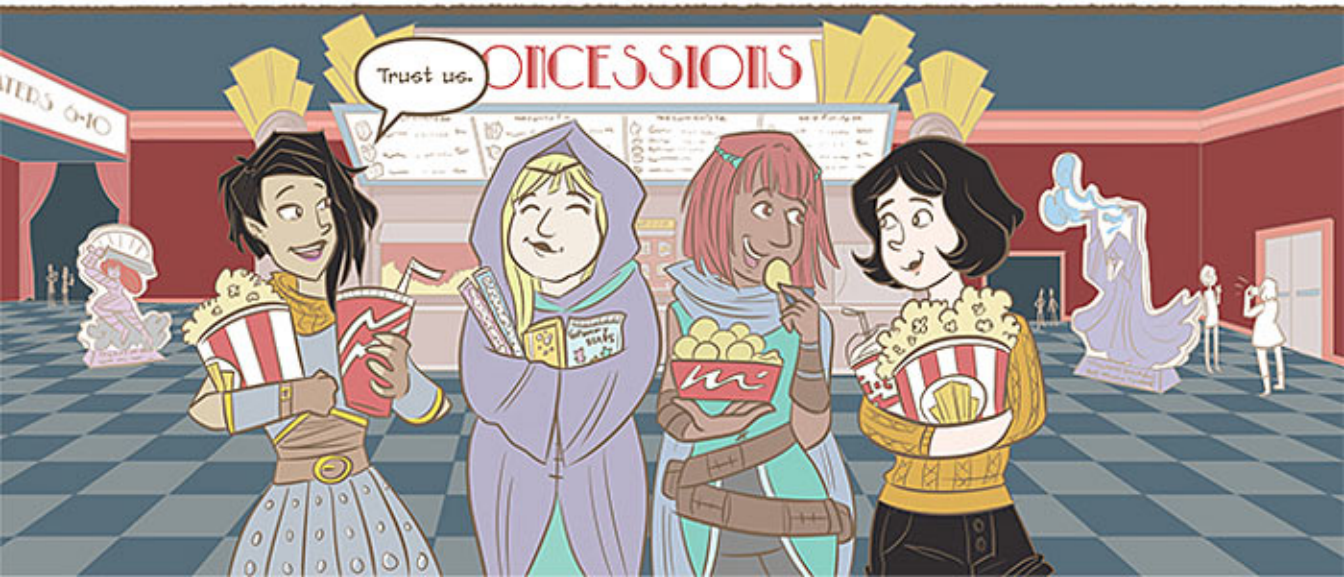

You two've probably
been busy and all,
but you might wanna
invest in some
new disguises.

Elsewhere in Mission Mile.

Vista Vale.
The Pepper Residence.

Hello?

Sorry about
the late hour,
Professor.

How
can I help
you...?

I'm Stark.
This is my
associate,
Westlake.

Evening.

We write for
The Pride, the
Mason Montgomery
Prep student
newspaper?

Oh, you're Poppy's classmates? Come in, come i--

Thank you but no.

Editor's breathing down our necks on this major deadline--

Hence the late hour.

--and we were hoping we could ask Poppy a couple of questions for it.

Oh? What's your piece about?

Students who've quit school clubs and their reasons for doing so.

Well, I look forward to reading it, but Poppy's out with Cassia.
