# MOON GIRL AND DEVIL DINOSAUR

Lunella Lafayette is a nine-year-old prodigy living with her mom and dad in Manhattan's Lower East Side. Devil Dinosaur is a bright red time-displaced Tyrannosaurus rex. They are shunned and ignored by most, but for better or worse, they have each other! Recently, Lunella discovered that whenever the moon is full, their minds will trade places.

Having solved an "impossible" puzzle called the Banner B.O.X. (Brain Omnicompetence Examiner!), Lunella became officially recognized as the smartest person on the planet! A rogue Doombot took umbrage with this recognition and relentlessly attacked her. With help from some of her new super hero pals, Lunella destroyed an army of errant Doombots and learned one thing: friendship makes us stronger.

# GIRL-MOON: PART 1 OF 5: SYNCHRONOUS

"In a spiral galaxy, the ratio of dark-to-light matter is about a factor of 10. That's probably a good number for the ratio of our ignorance-to-knowledge. We're out of kindergarten, but only in about third grade." --Vera Rubin

**AS HIGH AS YOU CAN GET  
ON THE LOWER EAST SIDE.**

For my *fourth-grade science* project, Ms. Dominguez assigned something about the Moon's rotation around the Earth.

I think that's what she said. I don't pay too much attention in *science class*.

I don't have to.

But we've understood our moon for about 2,000 years and I thought it was settled half-a-millennium ago...

...so I figured I'd come up with something that goes the extra mile.

I ALMOST FORGOT ABOUT YOU.

RRROO?

Now that's something that's hard to believe...

...that I could let a mutated, fireballing Tyrannosaurus rex slip my mind.

LET'S GET YOU SOMEPLACE YOU BELONG.

But I have a lot to think about--even though I just proved I'm the smartest person in the world.

NO GOOD RUNNING AROUND IN THE SNOW WHEN YOU'RE COLD-BLOODED. WE NEED TO GET YOU INSIDE--SOMEPLACE WARM.

WORKS FOR ME TOO!

Devil Dinosaur doesn't always know what's good for him.

HEY,  
LOOK!

IT'S MOON  
GIRL AND DEVIL  
DINOSAUR!

I WAS THERE  
WHEN SHE SAVED  
YANCY STREET  
FROM THE LEGION  
OF DOCTOR  
POOMS!

Once upon a  
time-all these  
people were afraid  
of Devil Dinosaur.

I WAS THERE  
WHEN SHE TRICKED  
A SUPER-VILLAIN TEAM-UP  
OF ELECTRO, SHOCKER, AND  
ZZZAX--INSTEAD OF THEM  
ROBBING A BANK, EVERYONE  
IN MY BUILDING HAD THEIR  
CON ED BILL CUT IN  
HALF FOR A  
WHOLE MONTH.

And no one even  
knew who Lunella  
Lafayette was...

...but  
times  
change.
