My name is Adam Wreck...

ZOOOM

...and I am in BIG TROUBLE!

Yeah, you heard right, *THAT* Wreck, son of the 'FAMOUS GENIUSES' Albert and Betty Wreck.

WAP

THU

You see, my parents are the GIGANTIC brains who designed and built EARTH 1, the first manned spaceship that ever ventured beyond our galaxy and explore the universe,

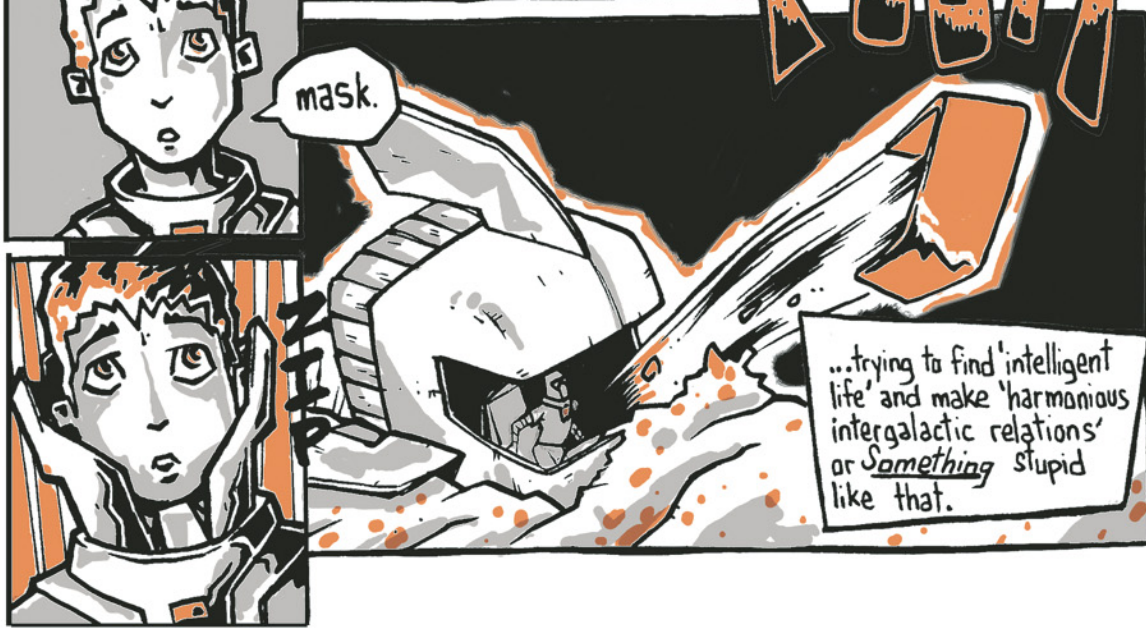

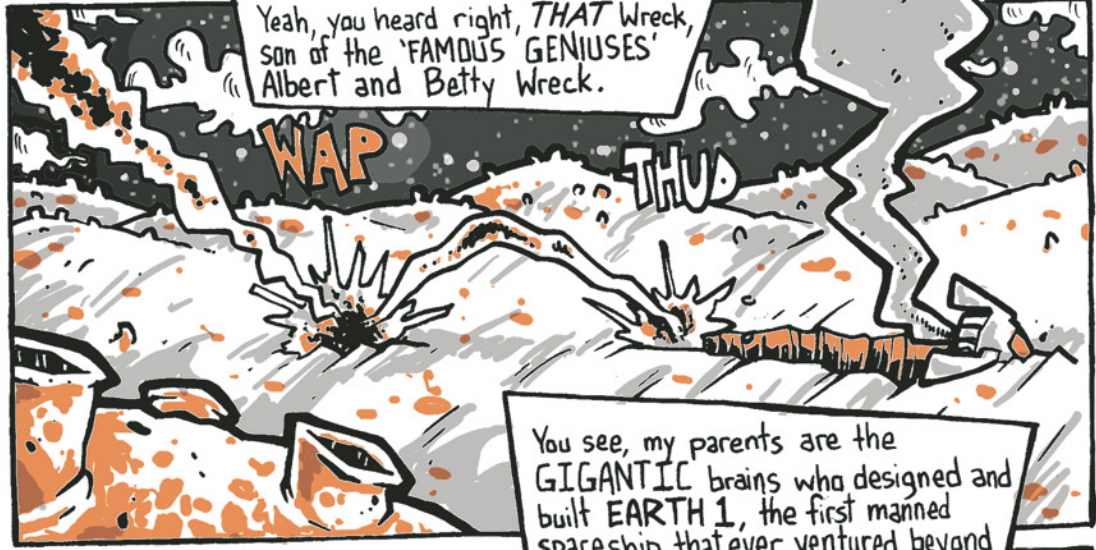

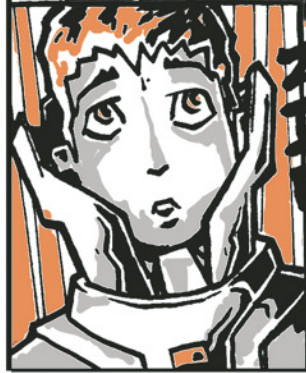

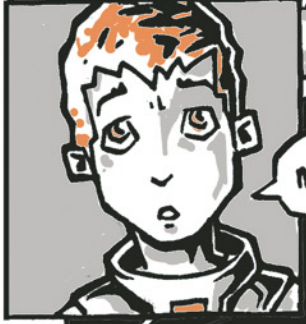

Yup, I'm *THEIR* kid.

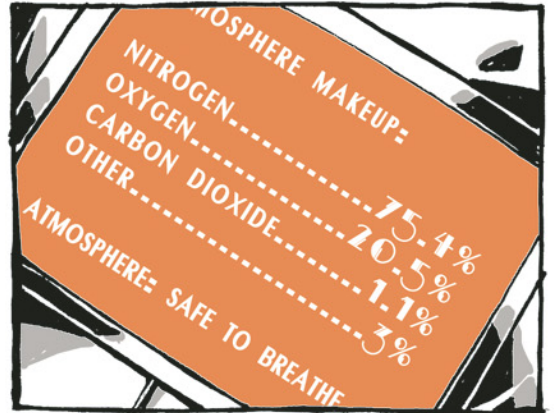

I've been stuck with them and ONLY them for the past two years while they have their good ol' time exploring the farthest reaches of space...

ROOM

mask.

...trying to find 'intelligent life' and make 'harmonious intergalactic relations' or *Something* stupid like that.

That is, until a few hours ago...

Besides, at some point we're going to make contact with something out here and when we do...

...this will have all been worth the wait.

Whatever, Dad.

I just wish you guys woulda' left me at home where I could be with my friends...

...OR WATCHING TV!

Son, I know this has been rough on you - leaving everything behind...

...soon you'll see.

HMPH...

...It's not like we've even seen any cool space aliens or...

HA!

Well, perhaps someday.

Why don't you go and play some video games.

Adam?

What is it - Is something...
