

IT'S A BEE-YOO-
TEE-FUL MORNIN'!

After a long night of
laffs an' lovin', there ain't
nothin' better than wakin'
up next to my sweetie...

...an' my babies, inside
our gorgeous new home!

Ain'ta think that just weeks
before, we was livin' on th' run,
crammed into a sleazy motel
room, just 'cause I kinda
accidentally tipped th' B-man
off to our whereabouts.

Didn't help any that some weirdo in a weasel suit, the Grison, was hittin' all th' best targets in Gotham before we could hit them!

But tonight we're takin' care of that freak, permanent-like! An' then we'll just kick back an' enjoy our secret, safe love-nest...

...that I still owe three million dollars on, or else the crummy Carpenter who rebuilt it will blow it up in five days!

Oy! Sometimes I wish I never bopped th' two yuppies that bought this dump...

BRILLIANT IDEA!

THAT'S IT!

I LOVE YOU BACK SOON BYE!

the deed I swiped from
