# STAR WARS ANNUAL IV

**War consumes the galaxy. The heroic Rebel Alliance has won a major victory against the evil Galactic Empire with the destruction of the dreaded Death Star superweapon.**

**Now, the Dark Lord of the Sith and the Empire's chief enforcer — DARTH VADER — seeks a means to crush the Rebellion once and for all. Meanwhile, the young hero LUKE SKYWALKER attempts to save it by becoming a Jedi Knight and learning the ways of the Force.**

**And other factions beyond just the dark and the light seize upon the galaxy's instability. Rogues and smugglers like the infamous SANA STARROS look to profit even on the wildest and most untamed fringe worlds....**

**\*Note: the events of ANNUAL IV take place before STAR WARS #8.**
