Alien special forces or something. A *soldier*!

Wow!

Got stuck here. Then retired here.

Here?

And *he's* your dad?!

No!

No?

My dad—

Your dad as in the guy I know? The guy who adopted you?

Yes! He *too* is an alien from outer space.

He *too* is, like, a special forces operative dude...

But from a *completely* different species of alien person.

No response?

All I can think to say is: *No way?!*

And I really think it deserves *more* than that!

You *believe* me!

Wait, so you're *adopted* father is your *real* father and you're a—

No.

My adopted father is *still* my adopted father who just happens to be an *alien from outer space*.

And not your *mom*? Huh.

I mean, your mom I could believe in a heartbeat, but your dad—

That's when and how they discovered *me*.

Discovered you in outer space?
