

THE LOWER EAST SIDE
TODAY.

It's a crazy
world out there.

METHINKS

"Intelligence is the ability to
adapt to change." --Stephen Hawking

HFFF...

I'm the *smartest* person
on Earth, and I don't
get it half the time.

Apparently this blizzard
is part of some Asgard
mumbo jumbo *myths* causing
trouble in our *real* world.

RAARGH!

WHAT
ARE YOU
COMPLAINING
ABOUT?

**COLD-
BLOODED
SLITHERING LIZARDS
DON'T FEEL THE
COLD, AND THAT'S
A FACT.**

Asgardians!

Can you
believe it?

RNNF!

CHILL OUT.
WE'RE STUCK
HERE FOR A
WHILE...

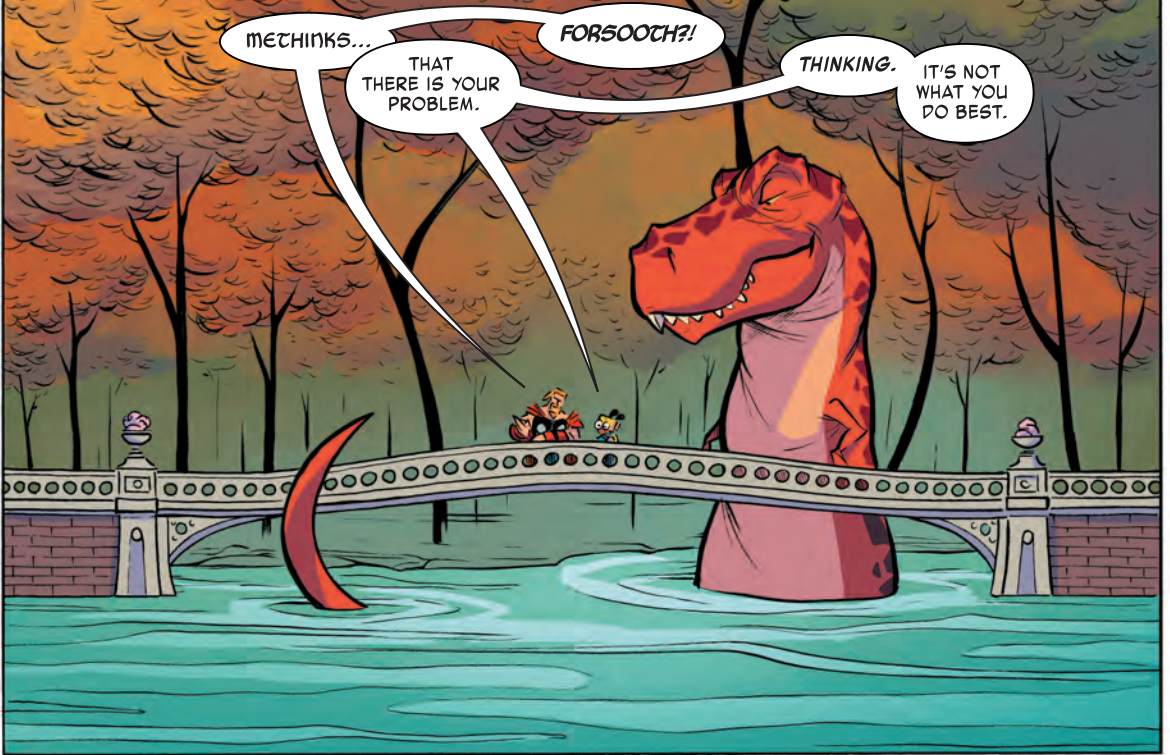

I'll tell you a
crazy story.

...WAITING
FOR SOMETHING
THAT'S WORTH
WAITING FOR.

About
an even
crazier
world...

CENTRAL PARK.
THE BOW BRIDGE.

ONCE UPON A TIME...

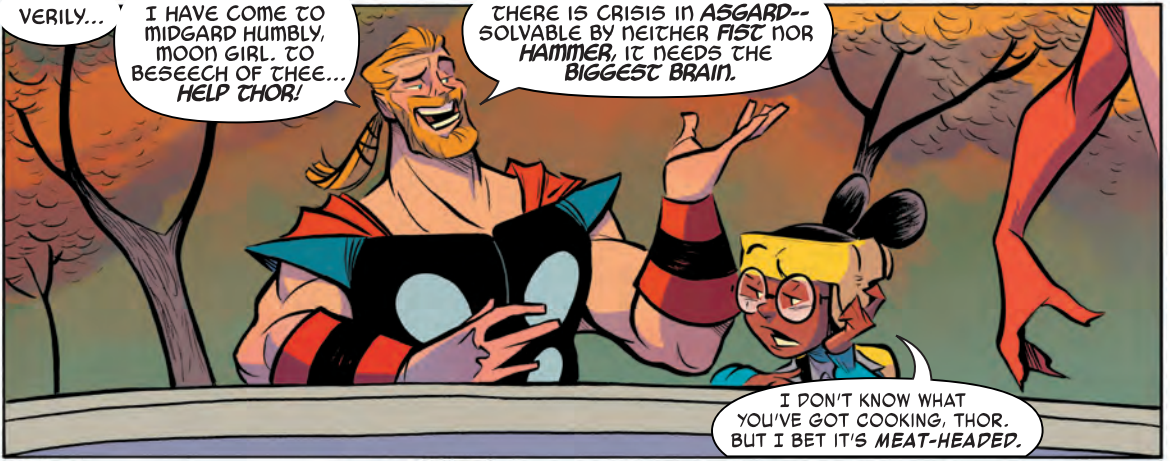

methinks...

THAT
THERE IS YOUR
PROBLEM.

FORSOOTH?!

THINKING.

IT'S NOT
WHAT YOU
DO BEST.

VERILY...

I HAVE COME TO
MIDGARD HUMBLLY,
MOON GIRL. TO
BESEECH OF THEE...
HELP THOR!

THERE IS CRISIS IN ASGARD--
SOLVABLE BY NEITHER FIST NOR
HAMMER, IT NEEDS THE
BIGGEST BRAIN.

I DON'T KNOW WHAT
YOU'VE GOT COOKING, THOR.
BUT I BET IT'S MEAT-HEADED.

THERE IS A
CHALLENGE IN
my REALM. AN
UNSOLVABLE
RIDDLE...

my FRIENDS IN
ASGARD COMMANDED I
SEARCH FOR THE WISEST
IN THE TEN REALMS. THE
FAIR LADY SIF SAID
FIND THE SMARTEST
THERE IS.

I DON'T
KNOW...

THEN WE SHALL FIND OUT!

WHAT THE--?!

THAT WASN'T A YES!

MROO?

ASGARD.

I HAVE NO CHOICE, MOON GIRL. UNLIKE THOU, THOR DOES NOT HAVE TIME TO THINK.

SO IN THE MEANWHILE...
