THE MODERN AGE OF AN ICON

Wonder Woman has been ever-present in comics since her debut in 1941 and continues to be one of the most popular characters of all time.

This second collection celebrates *Wonder Woman* covers beginning from *Wonder Woman* #301 (Vol. 1, March 1983) and features notable issues by famed comic book artists such as George Pérez, Phil Jimenez, Adam Hughes, and José Luis García-López.
