

CALIFORNIA.

--87.1 ON YOUR F.M. DIAL. IRA ALLEN HERE AND WE'RE ALL STAYING AS LONG AS THIS RED LIGHT SAYS WE GOT A SIGNAL.

WON'T BE PLAYING TOO MANY SONGS ANYMORE, BUT WE'LL TRY TO TELL YOU AS MUCH ABOUT THIS CHANGING WORLD AS WE CAN WHILE WE'RE ON THE AIR.

YOU KNOW WHAT ELSE IS CHANGING-- AND YOU DON'T HEAR A LOT OF FOLKS TALKING ABOUT THIS-- OR I DON'T, ANYWAY, BUT YOU KNOW WHAT ELSE IS CHANGING?

WE ARE.

BECAUSE WE HAVE TO, DON'T WE? WORLD'S DIFFERENT, SO WE BETTER GO ALONG.

AND, NO, I DON'T KNOW HOW WE'RE CHANGING YET. CAN'T SEE INTO THE FUTURE, BUT IF YOU'RE LOOKING TO FIGURE THAT OUT FOR YOURSELF, I'LL TELL YOU WHO TO KEEP AN EYE ON.

CRACK

WATCH  
THE  
STRONG  
AMONG  
US.

BECAUSE  
IT'S DARWINISM,  
ISN'T IT?  
IT'S SIMPLE  
ADAPTATION.

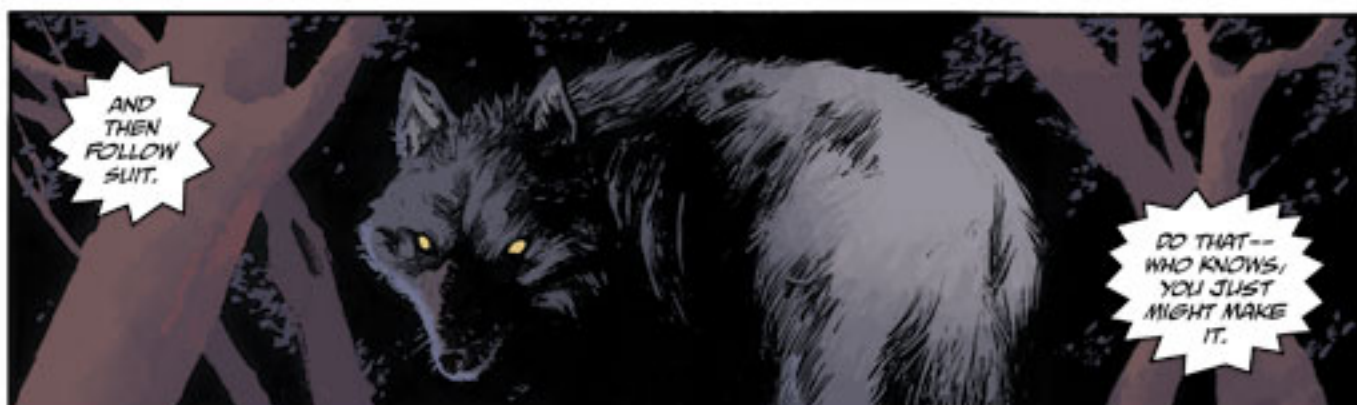

THEY'LL  
SEE IT  
BEFORE  
THE REST  
OF US.

THEY DIDN'T  
GET UP THERE  
ON TOP BY  
BEING STUPID.  
THEY'LL FIGURE  
IT OUT.

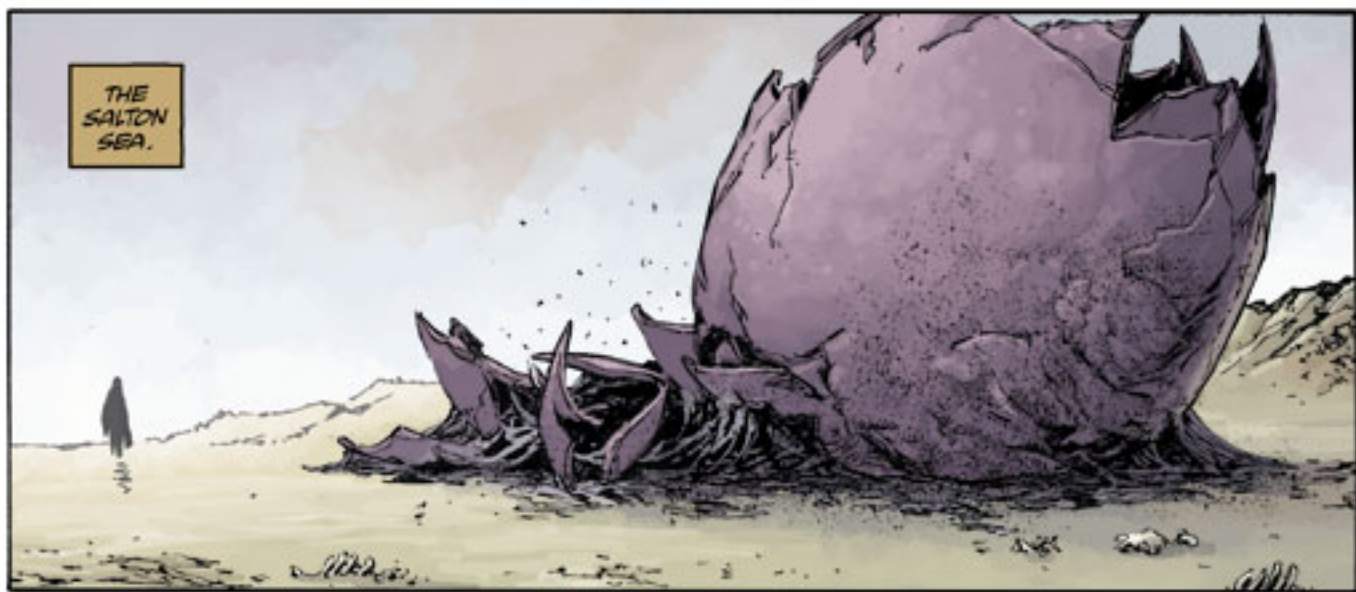

THE  
SALTON  
SEA.

SCAVENGERS.

STILL DOING WHAT THEY DO, RIGHT?

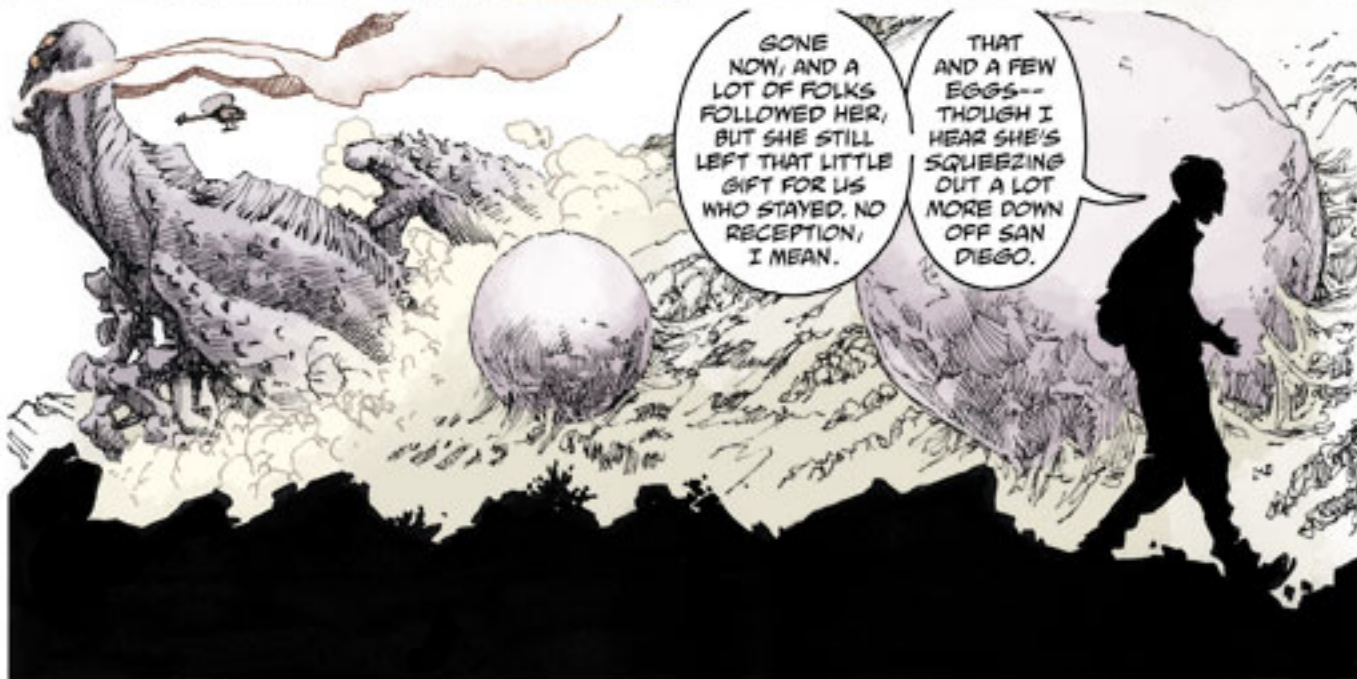

BUT, YOU KNOW, WHY SHOULDN'T THEY? THESE END TIMES, THEY WERE MADE FOR THEIR KIND.

PLENTY TO EAT FOR THEM. DEAD AND DEATH EVERYWHERE.

GOES FOR RADIOS, TOO. DEAD.

SINCE THAT BIG MOTHER SQUATTED DOWN IN THE LAKE, NO KIND OF SIGNAL AT ALL OUT HERE.

GONE NOW, AND A LOT OF FOLKS FOLLOWED HER, BUT SHE STILL LEFT THAT LITTLE GIFT FOR US WHO STAYED. NO RECEPTION, I MEAN.

THAT AND A FEW EGGS-- THOUGH I HEAR SHE'S SQUEEZING OUT A LOT MORE DOWN OFF SAN DIEGO.
