

SOMEONE SHOOT IT.

EMPTY.

PLEASE.

EMPTY, SIR.

I'M EMPTY, SIR.

TH-D.

*I knew there would be danger on this mission.*

THEN RELOAD.

Risk.

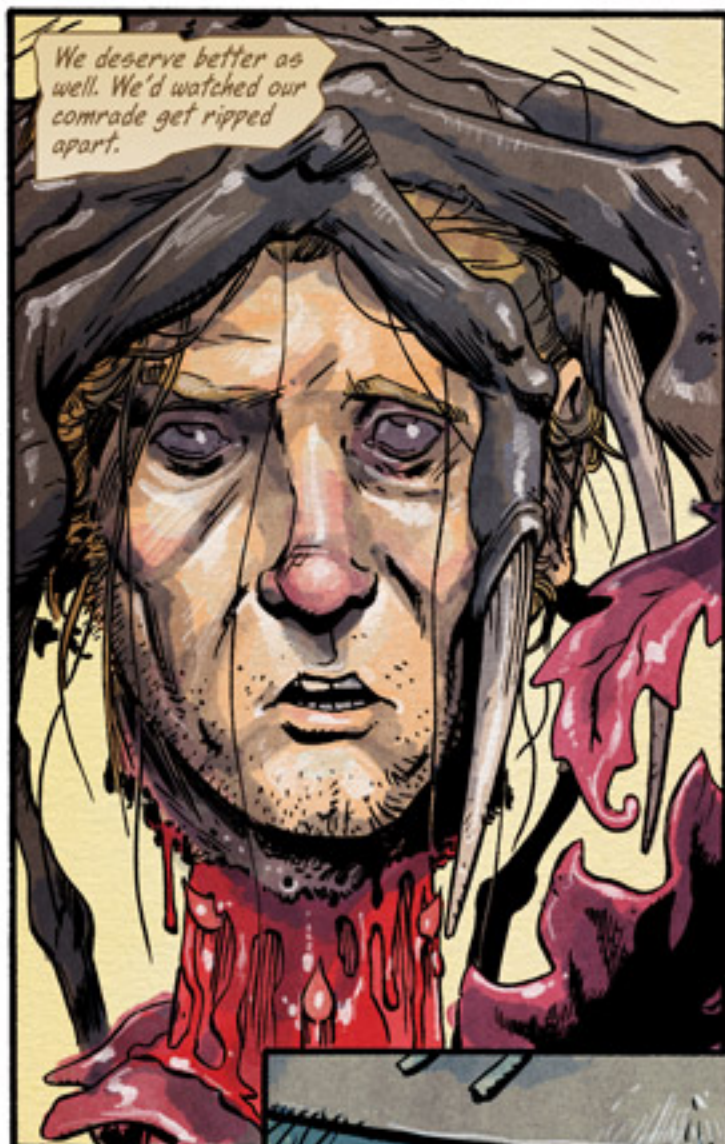

*Even death. But the extent of fate's creativity as it doles out cruelty...*

*Has been nothing  
short of astonishing.  
Jameson deserved  
far better.*

**SU-NK!**

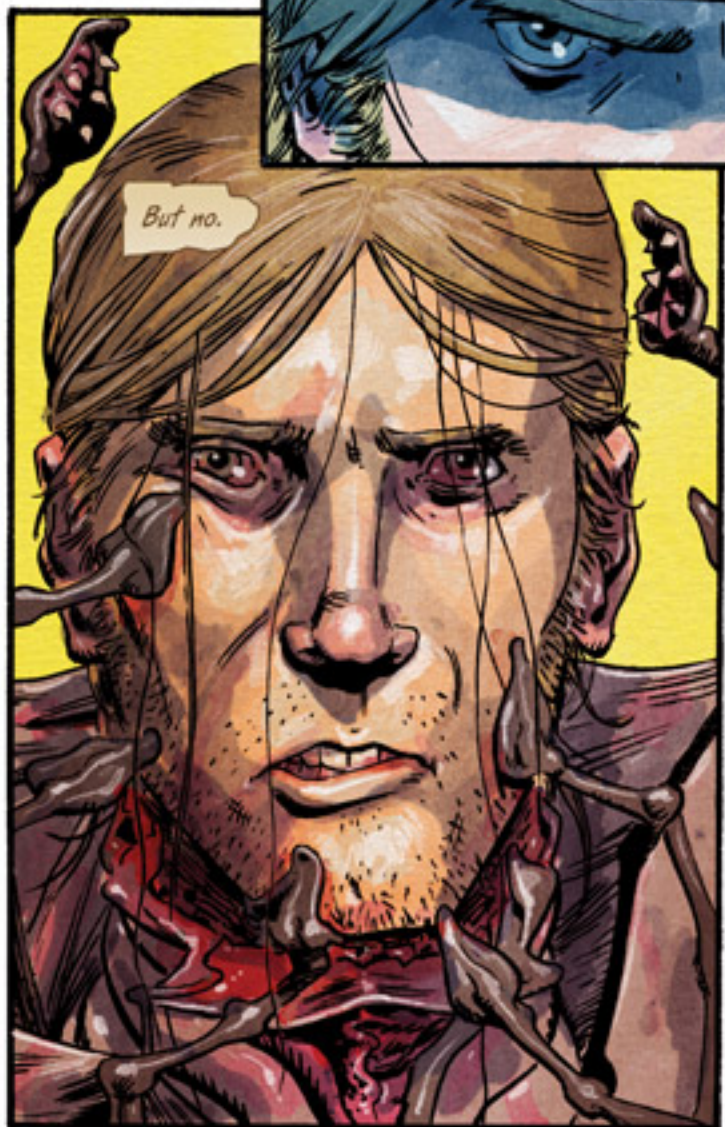

*We deserve better as well. We'd watched our comrade get ripped apart.*

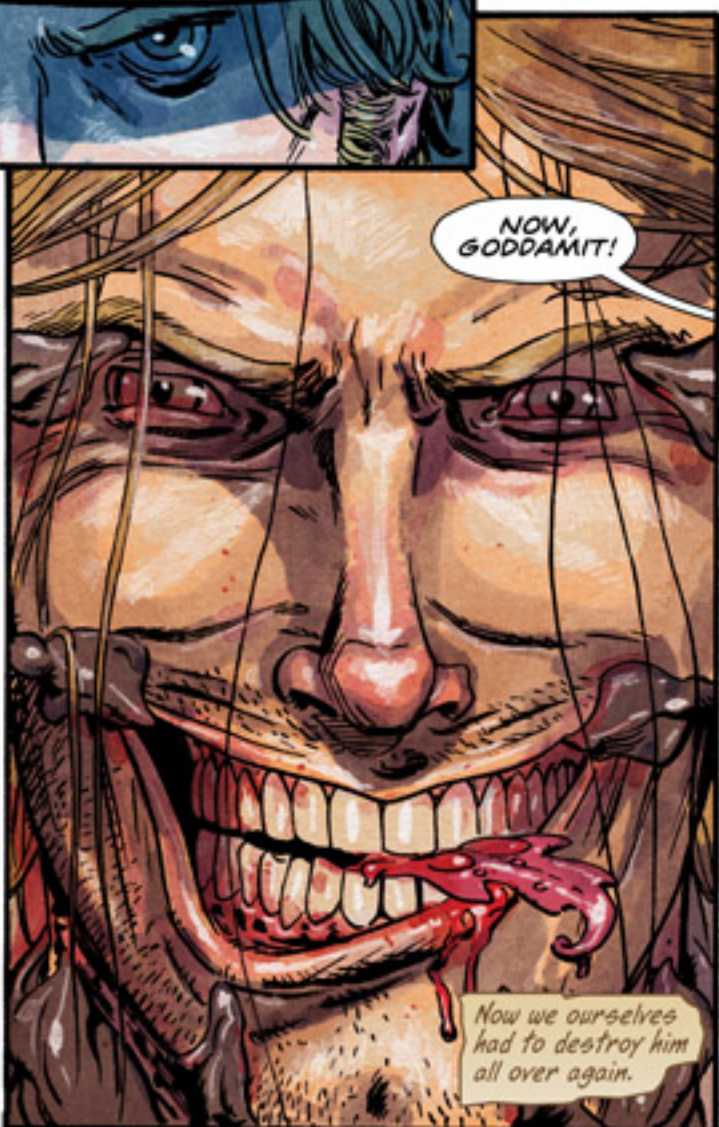

*If it had ended there, it would have been bad enough.*

**I SAID RELOAD.**

*But no.*

**NOW, GODDAMIT!**

*Now we ourselves had to destroy him all over again.*
