No catch! We're in-

--**THE BEAR KINGDOM!** Where the fish flow like honey!

And where the honey flows like...something that flows even better than honey typically would, I guess.

I am **MOST** interested in quick flowing delectables, but I've never even **HEARD** of the bear Kingdom.

Also that they are way too dumb to form a civilization.

...they are still **QUIET** dumb.

How else could these terrible bear disguises work?

Dude.

Yep.

What IS this place?
