

**Nightwing.**

Do you know where that name came from? Most people think it's a "Batman" thing. Y'know, former Robin emulating his former mentor because bats go out at night. They've got wings. It makes sense.

But actually, it comes from Superman. See, Big Blue told me about these legendary heroes from his home planet, Nightwing and Flamebird.

The Nightwing was "The great rebuilder. The catalyst of change."

"Eternally reborn to start anew."

I lost that name when I went undercover in the spy organization **SPYRAL**. I can't take it back. Not yet. I have to do something first.

And just so you know, that something isn't stopping the Madmen from using a crane to break into the Federal Reserve. I'm on my way to meet someone.

Because I may have lost Nightwing, but I never lost--

--D. I. C. K.

I KNOW YOU'VE BEEN OUT OF THE COUNTRY, BUT BEING NUMBER FOURTEEN IN THE TOP SCORES REQUIRES ONLY YOUR INITIALS.

HEY, I'M NOT SUFFERING FROM CULTURE SHOCK, DAMIAN.

*Current Robin. Son of Batman. Sayer of snarky stuff like--*

THE MADMEN MUST HAVE DAMAGED YOUR BRAIN WITH THEIR COLORFUL FISTS THEN.

Nah, it just feels great to have a secret identity that's actually a *SECRET* again.

"I'M **DICK GRAYSON.**"  
 Ah, it feels good just to say it out loud.

WHEN I WAS WITH THE *CIRCUS*, MY PARENTS WOULD TAKE ME HERE JUST ABOUT EVERY TIME WE CAME THROUGH *GOTHAM*.

SOMETIMES IT WAS BECAUSE I'D CAUGHT THE TRAPEZE BAR WITH MY *FACE*, AND THEY WANTED TO MAKE ME FEEL BETTER.

YES. YOU RISK FATHER'S WRATH BY BRINGING ME HERE. SOMETHING ON YOUR MIND, RICHARD?

YOU'VE ALWAYS BEEN ONE OF THOSE "TALK ABOUT YOUR FEELINGS" TYPES.

ARE YOU HAVING DIFFICULTIES WITH A FEMALE, AS USUAL? PERHAPS THAT *HELENA BERTINELLI* WOMAN FROM *SPYRAL*?

FACE MY WRATH, *GORGONZOLA TROLL!*

MY RELATIONSHIP WITH *HELENA* WAS A LIE WRAPPED IN A SECRET. IT WAS LIKE A CHINESE FINGER TRAP MADE OUT OF *IKEA* INSTRUCTIONS.

I DON'T KNOW IF IT QUALIFIES AS ONE OF MY USUAL "FEMALE DIFFICULTIES."

...TO  
SHOW MY  
FACE.\*

When Helena first recruited me into Spyral, I thought she was cold, cruel and distant. I thought she was the enemy.

Funny how things change. How people grow on you. How people you couldn't stand...
