

ITEM 37...
MINIATURE LASER
CUTTER...

ITEM 38...
REBREATHER...

ITEM 39...
APPEARS TO BE
A SERIES OF
LOCKPICKS.

ITEM
40... SMALL
ANTITOXINS? WE'LL
NEED TO RUN THESE
THROUGH
TOXICOLOGY.

ITEM 41...
THIS *CAN'T*
BE...

I BET
IT IS.

DO YOU KNOW
HOW MUCH THIS
WOULD RUN ON THE
BLACK MARKET?

DON'T
EVEN THINK
ABOUT IT.

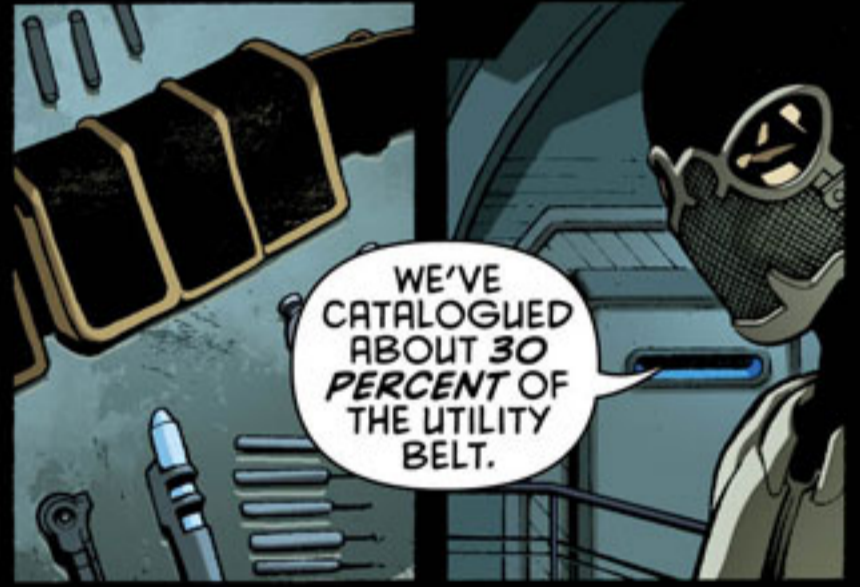

ITEM 42... *MORE*
BATARANGS?

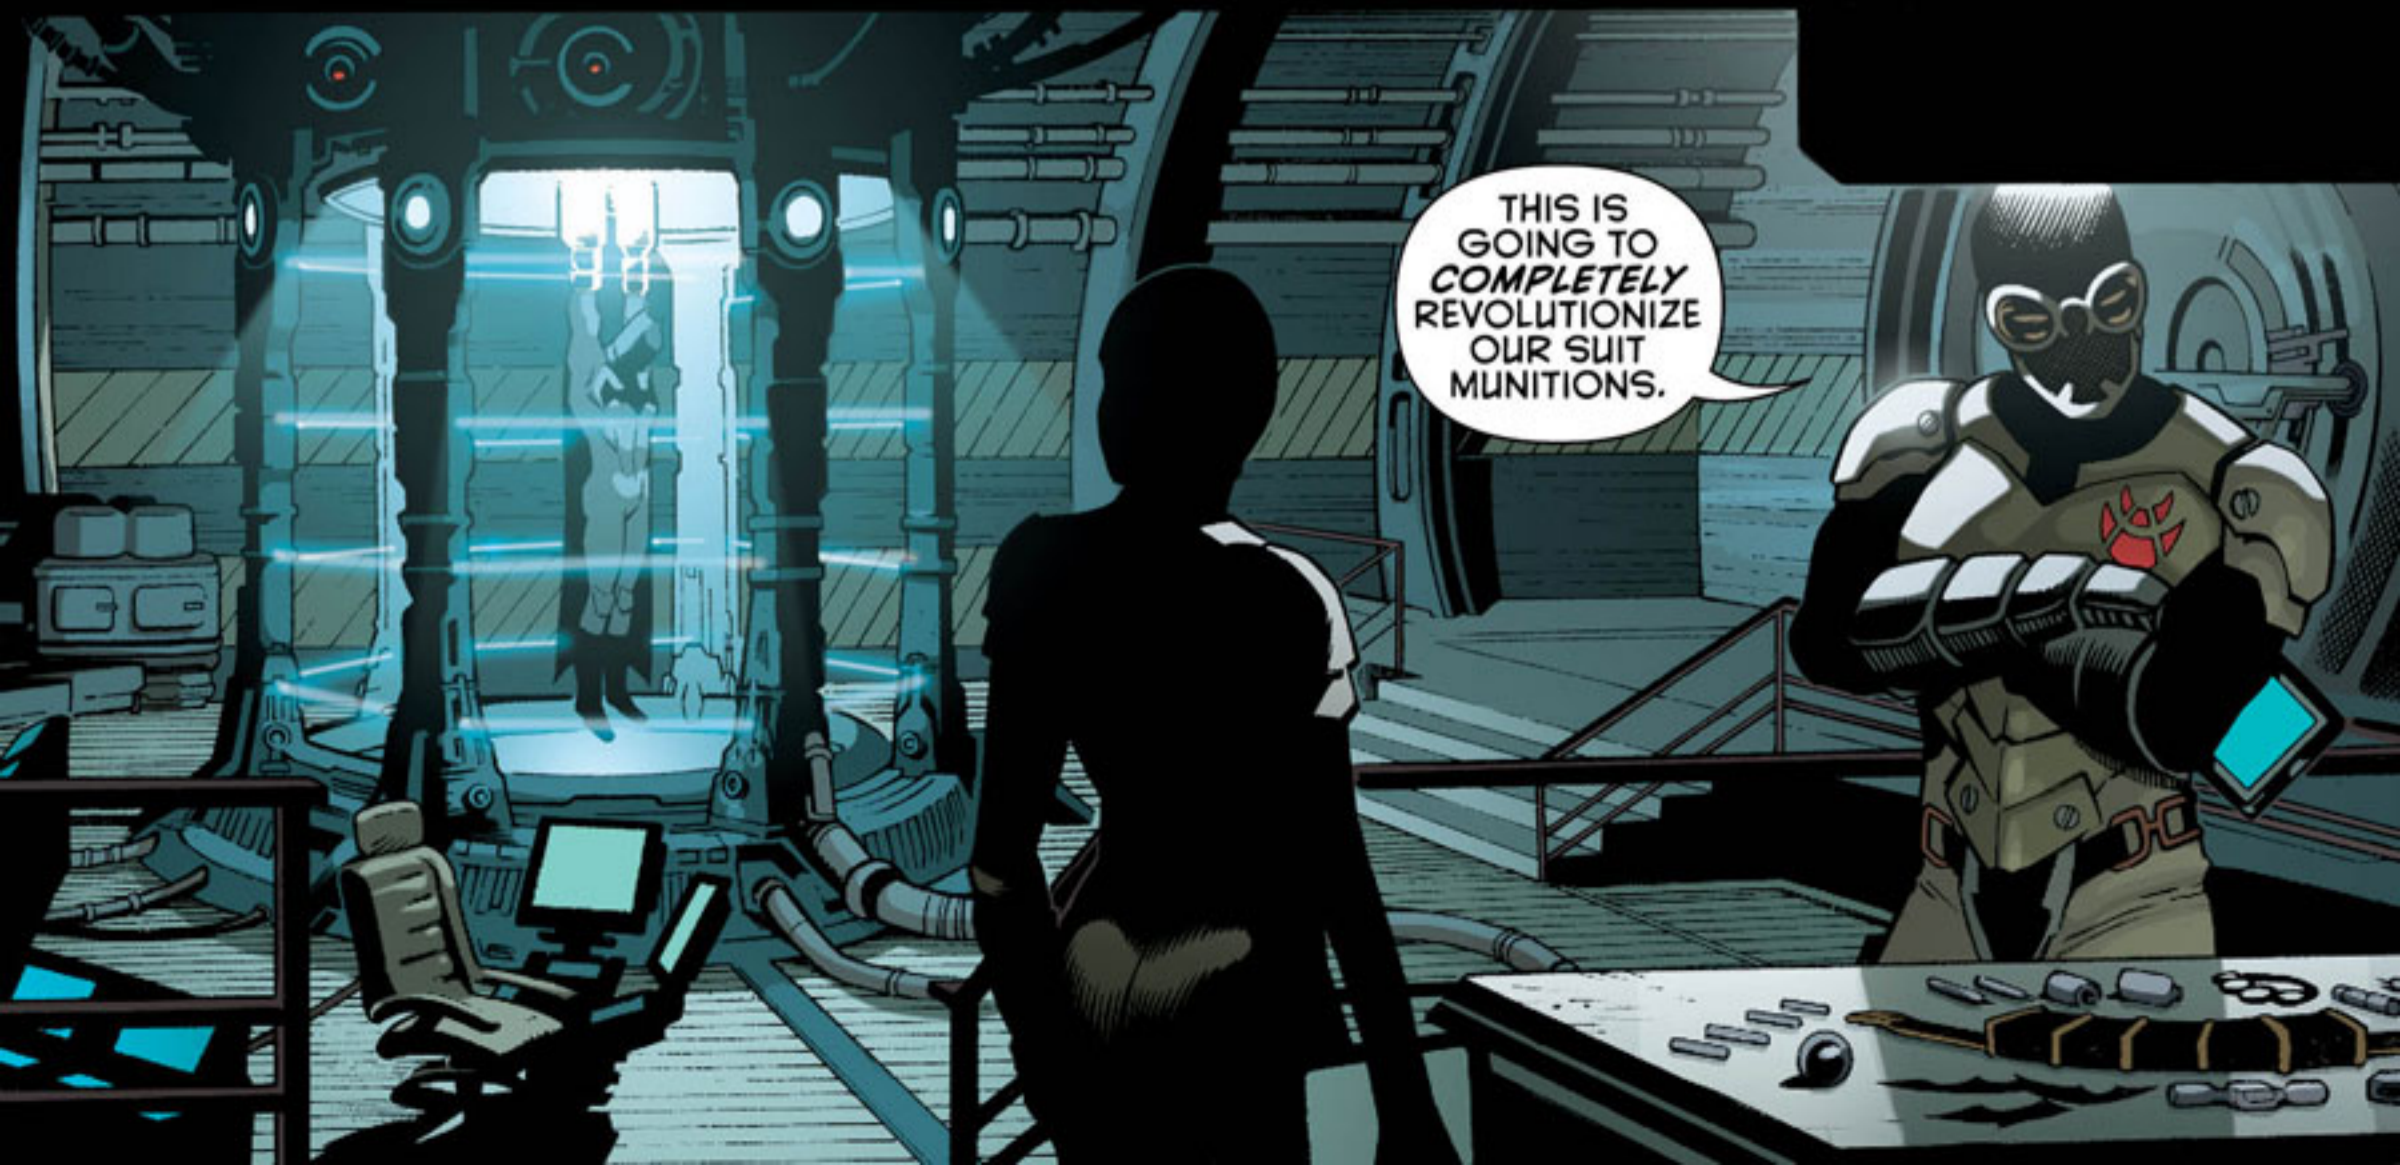

HOW
MANY
DOES HE
HAVE IN
HERE...

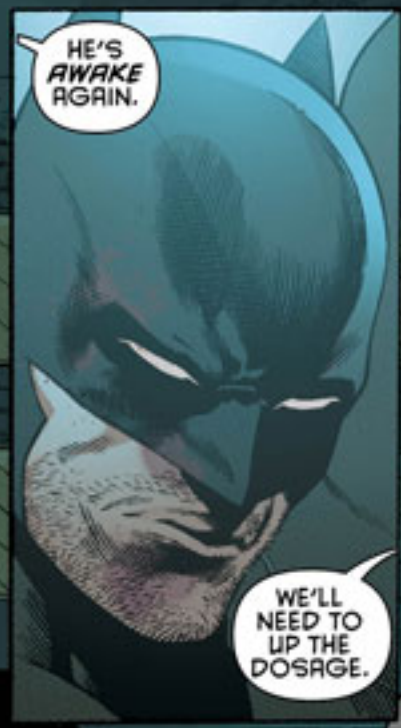

HOW
MUCH
MORE *IS*
THERE?

WE'VE
CATALOGUED
ABOUT 30
PERCENT OF
THE UTILITY
BELT.

THIS IS
GOING TO
COMPLETELY
REVOLUTIONIZE
OUR SUIT
MUNITIONS.

HE'S AWAKE AGAIN.

WE'LL NEED TO UP THE DOSAGE.

WHY DON'T WE REMOVE THE MASK?

IT'S NETWORKED INTO THE SUIT'S CENTRAL COMPUTER, WHICH WILL SHORT-CIRCUIT AND ERASE ITSELF IF WE DON'T REMOVE IT PROPERLY. "THE GENERAL" DOESN'T WANT TO RISK IT.

WE HAVE OUR BOMB TEAM DEVISING A SECOND ATTEMPT AT REMOVAL NOW. THE FIRST TEAM ELECTROCUTED THEMSELVES.

BUT THERE'S NO WAY OUT OF THAT BOX. WE HAVE HIS TOOLS.

HUH... HE'S DOING SOMETHING WITH HIS TONGUE...

OH LORD. HIS TOOTH. HE HAS SOMETHING IN HIS TOOTH!

OPEN YOUR MOUTH, BATMAN--

GO THERMAL! FIND HIM!

I CAN'T SEE...

WHERE AM I?

I...I DON'T--

IT'S...IT'S THE CAVE. WE JUST CALL IT THE CAVE!

KRAK
