ASIA**

Two days ago I was on the island I spent my first twenty years of peaceful solitude on.

My whole life a preparation to travel to the four separate but equal nations of the Asians, the Africans, the Latins, and the White to uncover why our world is this way.

I wasn't prepared for this.

WHAT IS THE MEANING OF THIS?

STEP ASIDE AND LET US FULFILL OUR DUTY, OR YOU SHALL ALSO DIE.

WHAT?

I WILL NOT LET YOU HARM MASTER CHEN.

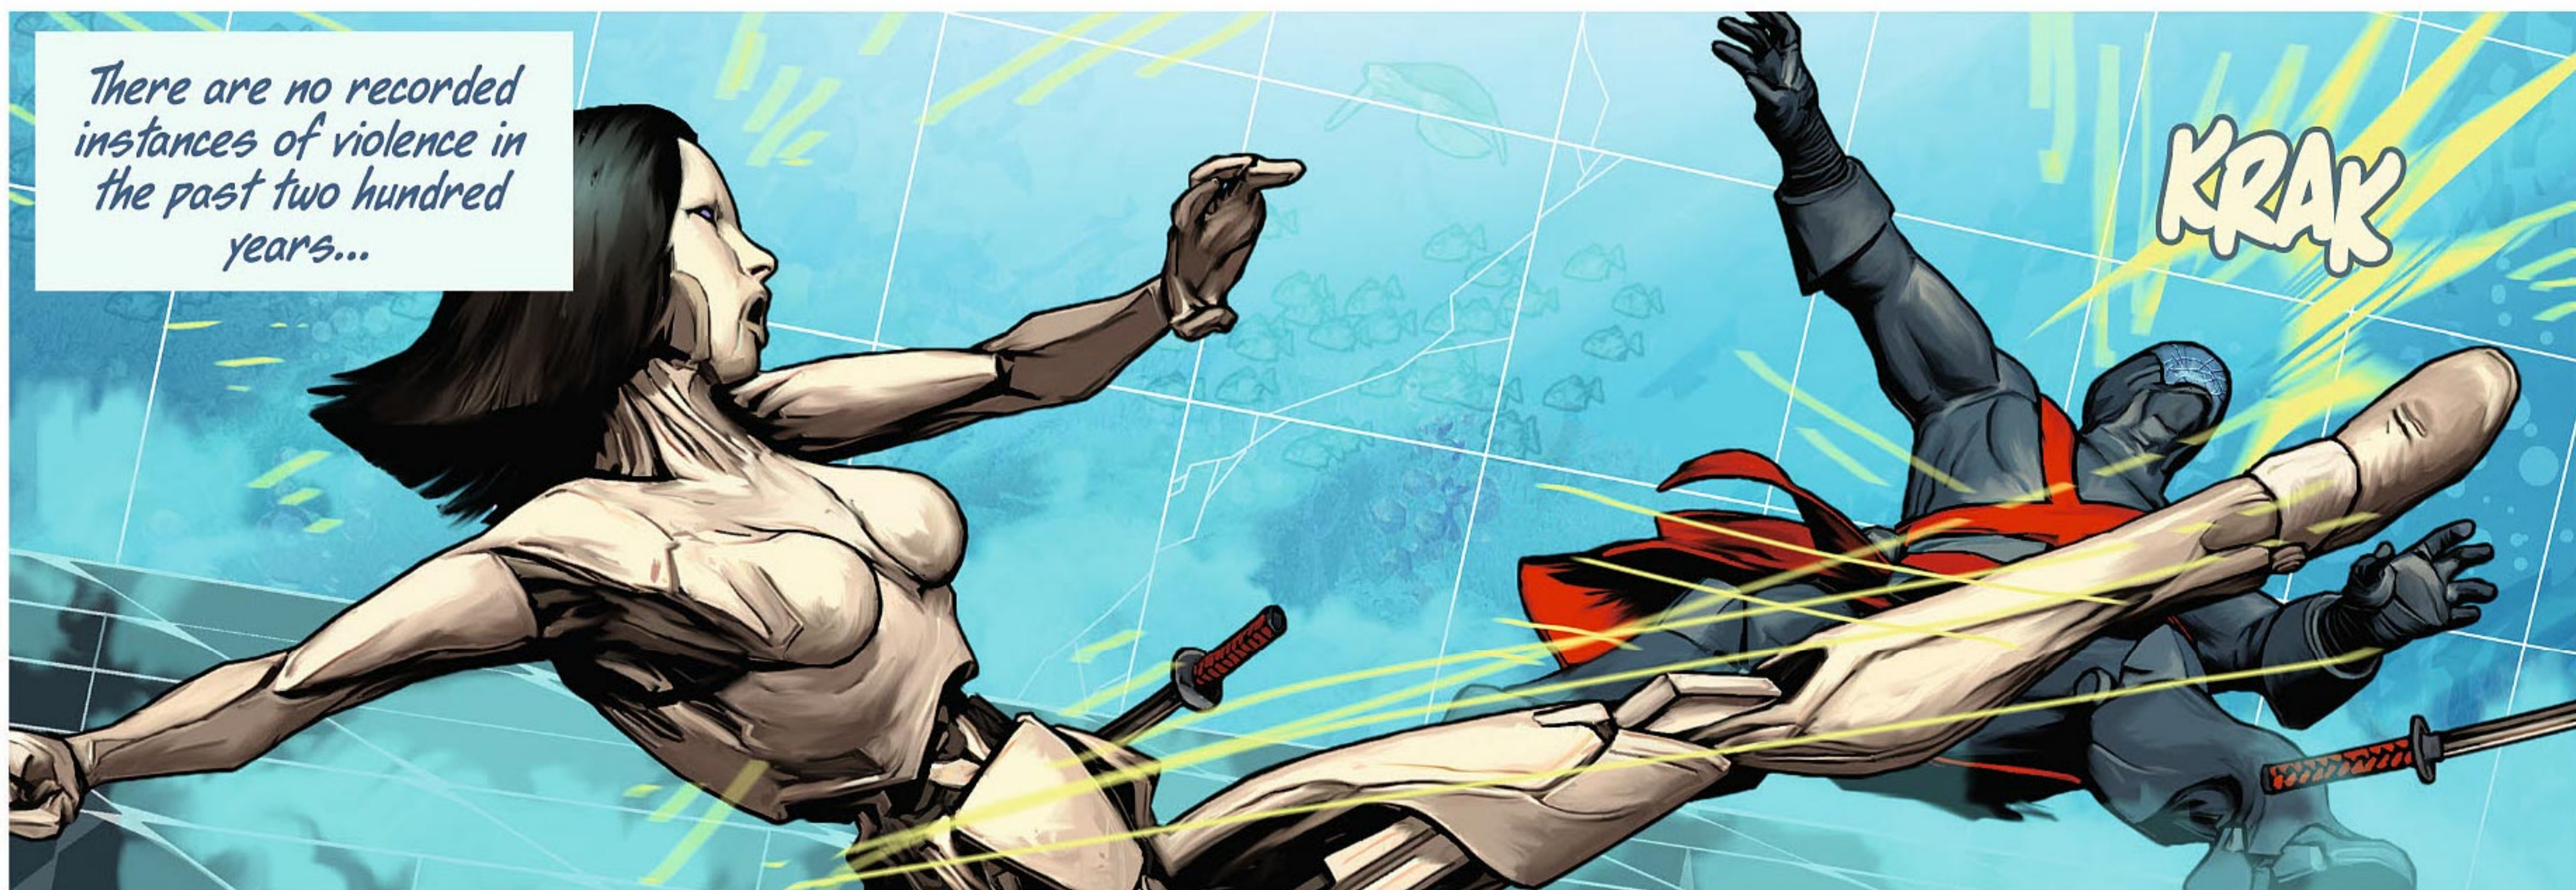

The four nations are supposed to be peaceful.

WE'LL SEE ABOUT THAT.

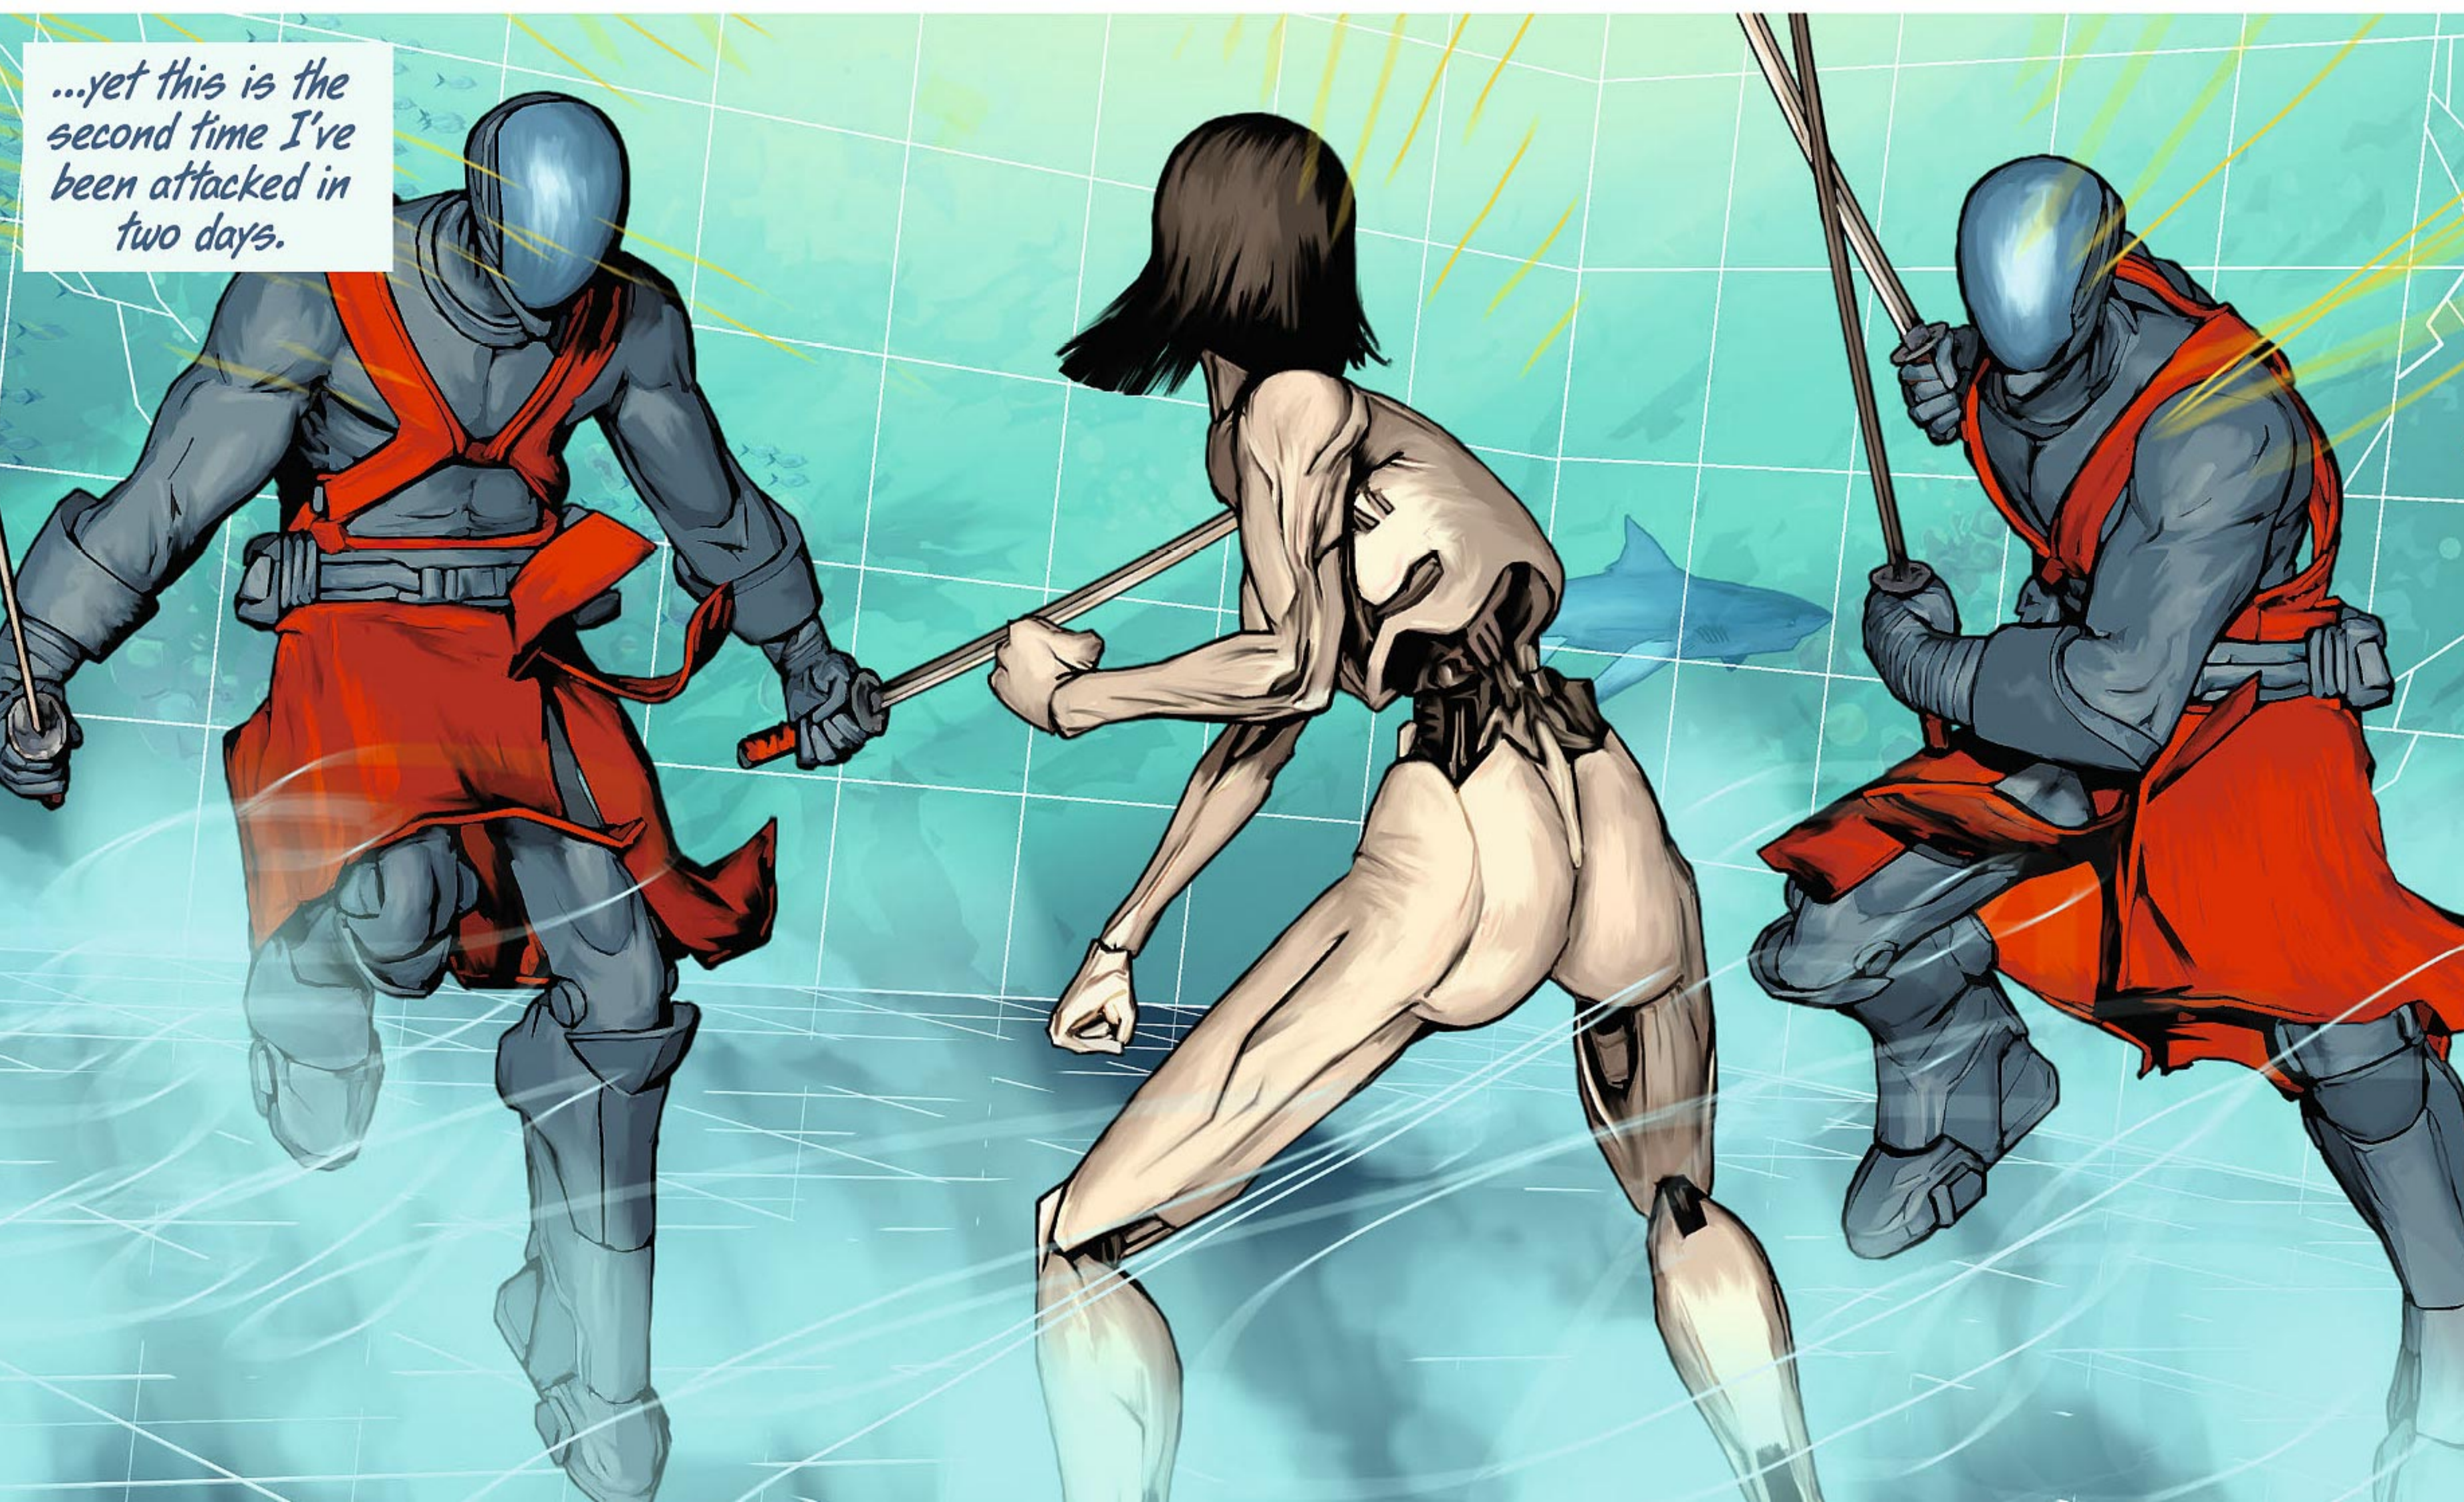

Resolving conflict with non-violent means.

WHACK

There are no recorded instances of violence in the past two hundred years...

KRAK

...yet this is the second time I've been attacked in two days.

The artificial intelligence SOL and the legions of networked robots aren't supposed to be able to harm humans.
