

Patsy Walker, A.K.A.

HELLCAT!

That's me!

Together the ladies secured the publishing rights for Patsy! Aren't best friends great?

Patsy Walker used to work as private investigator for her buddy Jen Walters, A.K.A. *She-Hulk*, but her friend had to lay her off.

So now Patsy's crashing with her pal *Ian Soo* and using her free time to launch a temp agency for super-powered people who aren't interested in the hero business.

But Patsy's plans were interrupted when her high school frenemy *Hedy Wolfe* got the publishing rights to relaunch a series of embarrassing comics starring teenage Patsy (awkward!) and written by Patsy's mom.

Patsy enlisted her bestie/lawyer (yeah, *She-Hulk* again) and super sleuth *Jessica Jones* to put Hedy in her place—legally, of course.

Pretty sure.

Whoa.

Got your text. Who told you?

Told me what? I don't know what's happening. I just woke up with this feeling, like Jen's in trouble.

She is. Patsy, she's in a coma.

What?!

We were fighting Thanos and she took a bad hit.* She's at headquarters, at the Triskelion, but it's closed off to everyone.

Can you get me in?

Yeah, I can. But--

Please, America.
