

MOON GIRL AND DEVIL DINOSAUR

LUNELLA LAYFAYETTE gets teased by the kids in her class. They call her **MOON GIRL** and laugh at her inventions. But who needs friends when you have cool gizmos and books? She's just biding her time until she can get into a **REAL** school for genius kids like her.

There's only one problem: Lunella is an **INHUMAN!** Despite many attempts, she was unable to thwart her transformation. Now, Lunella and Devil can switch bodies! What triggers these events is still unclear.

Meanwhile, out in the galaxy, a young Kree boy named **MEL-VARR** is seeking to prove himself to his militant father. The best thing he can think of? Capturing an Inhuman from Earth and bringing it home as a war trophy.

Disguised as a human student named **MARVIN ELLIS**, Mel-Varr has infiltrated Lunella's class and is ready to strike at any moment!

DEVIL DINOSAUR
CREATED BY JACK KIRBY

Amy

P.S. 20. LOWER EAST SIDE, NYC.

They put me back in school. This is Ms. Dominguez's science class.

I could have built a rocket and put myself on the moon.

For real, I could.

But that's not even why they call me Moon Girl.

They put me here because they don't know what else to do with me.

Story of my life.

AHEM!

I SAID--
LUNELLA LAFAYETTE...
PERHAPS YOU'D LIKE TO ANSWER THIS QUESTION?

SORRY...
I WASN'T LISTENING...

SUPPOSE I GIVE YOU A **KNUCKLE SANDWICH!**

I'M TELLING!
I'M TELLING.

MS. DOMINGUEZ...

THESE **MOTLEY PLASTIC CONSTRUCTS ARE CHILD'S PLAY!**

He just moved here.

Marvin.

What's he trying to prove?

Most new kids would concentrate on building friendships...

I MEAN-- **SERIOUSLY, RIGHT?**

NO ONE HERE TAKES YOU SERIOUSLY, **MARVIN.**

...but he seems determined to make **enemies.**

Now, where was I?
