

YOU WOULDN'T HAPPEN TO HAVE ACCESS TO THE BLUEPRINTS FOR A SEA PHOENIX 3,000 LUXURY SUBMARINE-YACHT WOULD YOU?

I'M SURE I COULD DIG IT UP ON THE NET.

WHY?

OH, NO REASON.

Okay. Actually, reasons.

One: I was given the names of police officers who might have had a hand in bringing illegal high-tech weapons to Blüdhaven.

Two: The source of those names, Roland Desmond, actually sold me out to the pirate Tiger Shark.

Three: Tiger Shark intended for me to be used as a guinea pig for the super-crooks testing out his weapons.
