Before Ever After

I know what you're all thinking... yes, Eugene and I did get married!

But make no mistake, getting to the wedding day would be the biggest adventure that we'd ever face!

They're gaining on us!

CLOP

CLOP

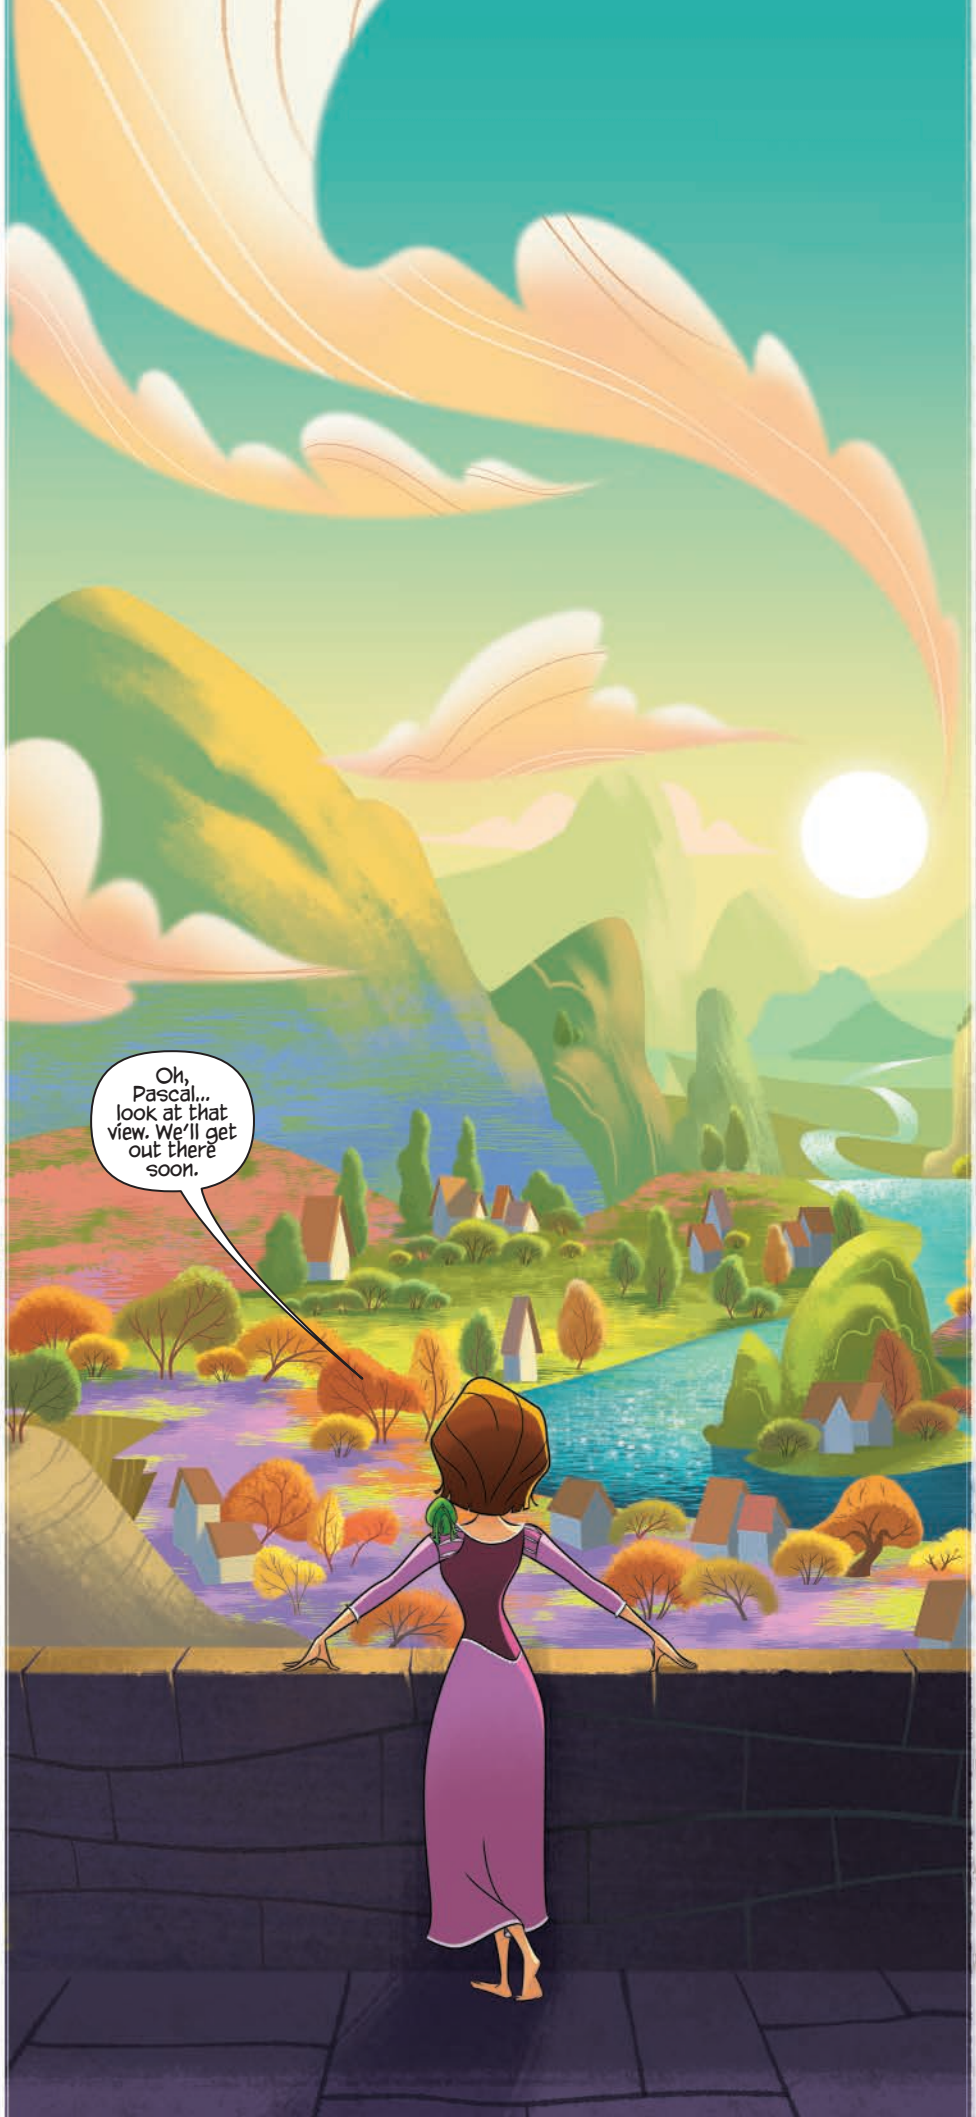

Man, these guys are persistent!

So am I!

I'll meet you at the wall!

That sounds like a challenge!

CLOP CLOP

HA-
HA!

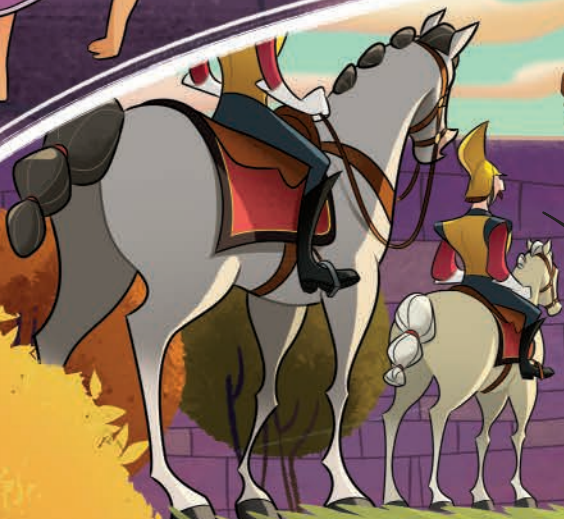

THUMP

Have
you ever
seen
anything so
beautiful,
Eugene?

Yes
I have...

The
game's over,
your highness.
The welcoming
ceremony is
about to
begin.

Well, I think
we showed those
guards who's boss.
Now, what do you
say we go and make
you an official
princess?

Oh,
is that
today?

I'm teasing...
how could I forget
a day like this?

It's a very important day for Corona!
And for me too, of course. This is a
dream come true, after all!

Everyone is getting
ready for it. My dad...

As you
requested,
Your Majesty,
we've doubled
security.

Good,
we've guests
from all over
the world.
I want them to
know that they
are safe.

Eugene...

I am
going to
propose to
Rapunzel

Literally everyone!

Lady
Caine, what
is it?

Time
to pay our
respect to
our beloved
royals...

Royalty comes with an awful lot of responsibilities...

Look Rapunzel, I know this "princess thing" is new to you, but you gotta at least try to act the part.

I am trying! Trust me, Cassandra. I know how important this is to my dad.

But welcoming guests from all over the world is just the beginning.

So nice to meet you!

Tomorrow's the festival followed by the royal banquet...

Okay if I call you Jimmy?

I'd prefer you didn't.

...and the actual coronation is on Sunday!

Nice to meet you.

Not nice enough to wear shoes, I'm afraid.
