

TARGET IS LOCKED, BUT IF I TAKE HER NOW IT WON'T BE PINNED ON AGENT CAMPBELL.

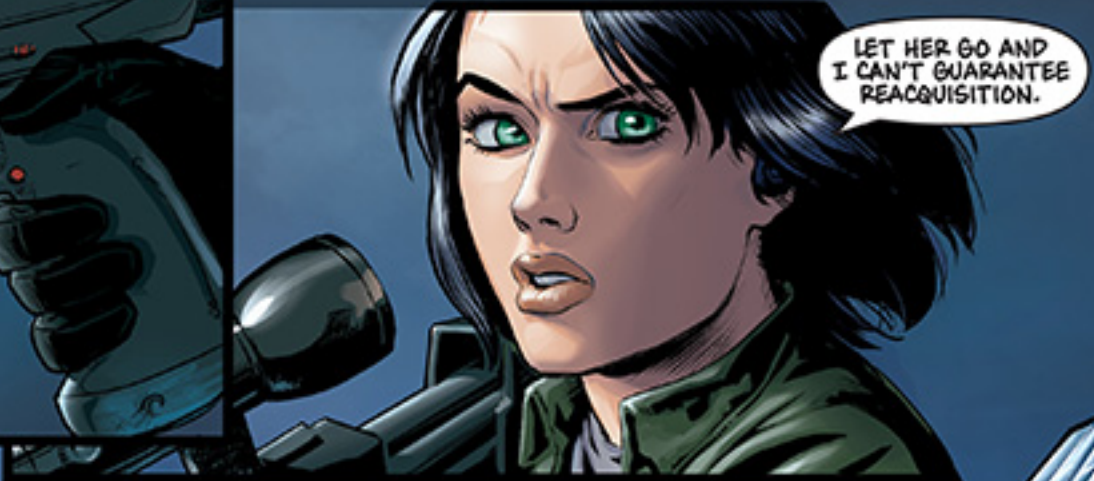

WELL, THAT'S A PROBLEM. THIS NEEDS TO WRAP UP TIGHT.

I CAN CLEAN ALL ON SITE AND LEAVE NO BODIES.

HMM... THAT'S TEMPTING...

...BUT NO.

LET HER GO AND I CAN'T GUARANTEE REACQUISITION.

STAND DOWN.

THE HARD DRIVE GOT US THIS FAR... PLUS SHE'S GOT LAWTON NOW AND HIS PARANOIA WILL HELP US HERE; HE HAS MULTIPLE TRACKERS ON HIS PERSON AND THE HELICOPTER.

LET THE PIECES ALL FALL INTO PLACE.

IF WE'RE LUCKY WE'VE GOT MAYBE TWENTY MINUTES BEFORE THEY START TRACKING US.

ACTUALLY WE WON'T HAVE TO WORRY ABOUT THAT.

THERE'S AN EA-18G GROWLER IN THIS HELICOPTER. IT'S AN ELECTRONIC COUNTER-MEASURE STEALTH DEVICE NORTHLOCK MAKES.

I FOUND IT WHEN I WAS HACKING THROUGH HIS FILES.

PICK UP AGENT CAMPBELL AND GET HIM IN THE AIR WITH A TEAM. ONCE THEY LAND I WANT THIS OVER.

AND CONNECT ME TO CIA DIRECTOR SINGH SO I CAN GET THEM TO BACK OFF AGENT SWAY.

ASSETS EN ROUTE. CONNECTING TO LANGLEY NOW.

LAWTON CLEARLY HAS HIS OWN REASONS FOR GOING OFF GRID.

Protocol 0.1
Protocol 0.2
Protocol 0.3

WAIT...
WHERE'D
THEY GO?

**GOD
DAMN
IT!**

It gives me a sick
thrill to use their
tech against them.

If I live through this, I
may need some therapy.

ETA SEVEN
MINUTES.
TETSUO HAS
EVERYTHING
SET.

I HOPE LAWTON
HAS SOMETHING GOOD
ON MCKITRICK.

Maybe I'll get some
decent counseling
when I get sent
to prison.

OR
THIS WAS
ALL A HUGE
WASTE OF
TIME.
