THE FOOT LOCK

Let's just find the police.

Looks closed.

Since when do the police close?

Hello!  
We need help here!

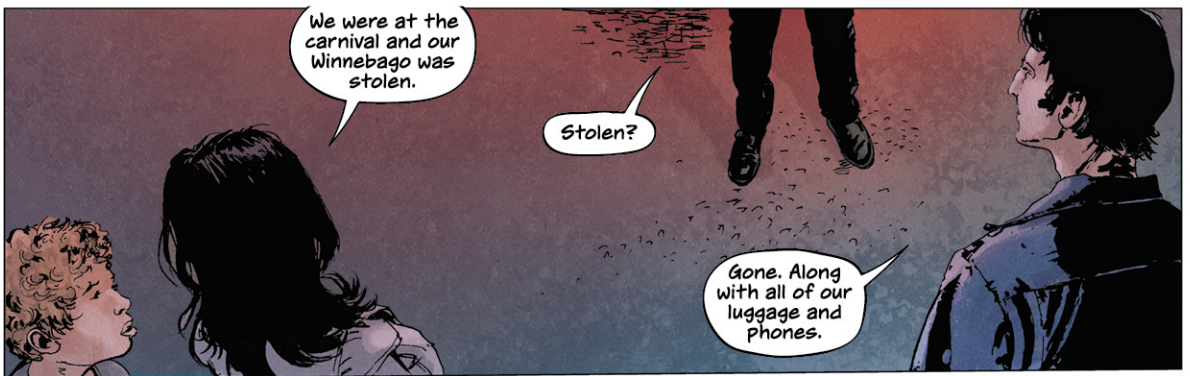

Unbelievable.

You folks need something?

Damn straight we do.

We were at the carnival and our Winnebago was stolen.

Stolen?

Gone. Along with all of our luggage and phones.

Things like this just don't happen around here.

This is a close-knit town.

Well, it did happen and now we're stuck.

We'll make a report and see what we can do.

If ya'll need a place to stay, I'm sure the motel has vacancies.
