Doreen Green isn't just a second-year computer science student: she secretly also has all the powers of both squirrel and girl! She uses her amazing abilities to fight crime and be as awesome as possible. You know her as...*The Unbeatable Squirrel Girl!* Find out what she's been up to, with...

Squirrel Girl *in a nutshell*

Squirrel Girl @unbeatablesg

Hey everyone! Guess what your (squirrel) girl's doing? An ESCAPE ROOM!! AW YISS

Squirrel Girl @unbeatablesg

It's gonna be great! I love to escape a room. NO ROOM CAN HOLD ME

Squirrel Girl @unbeatablesg

I know they're usually really hard to win, but that's okay! The point is to have a fun time with your friends!!

Squirrel Girl @unbeatablesg

Haha, I'll be happy as long as the escape room isn't secretly a super villain's lair used to lure super heroes to their deaths!!

Squirrel Girl @unbeatablesg

I REALLY HATE THOSE

Squirrel Girl @unbeatablesg

Anyway I'm sure today's escape room experience will be great and also that ironic foreshadowing isn't a thing in real life so we're good here

Squirrel Girl @unbeatablesg

UPDATE: ROOM WAS A DEADLY SUPER VILLAIN'S LAIR! IT WAS THE EXACT THING I WANTED IT NOT TO BE!!

Squirrel Girl @unbeatablesg

BUT WE ESCAPED AND CAPTURED MOJO II, WHO IS THE SEQUEL TO MOJO, SO THAT'S GOOD

Squirrel Girl @unbeatablesg

I REPEAT MY CLAIM FROM BEFORE: NO ROOM CAN HOLD ME!! THINGS ARE GREAT FOREVER AND I'M REALLY RIDING THAT SUCCESSFUL ESCAPE ROOM / SUPER VILLAIN DEFEAT HIGH HERE

Squirrel Girl @unbeatablesg

UPDATE: the police are hassling Kraven?? Things may not be that great after all

Squirrel Girl @unbeatablesg

Gonna go intervene! It's the right thing to do, and I'm certain of two things: that everyone involved will be extremely reasonable and, again, that ironic foreshadowing is NOT a thing in real life.

Tony Stark @starkmantony ✓

@unbeatablesg Because what it looks like is you and your friends got ARRESTED and are INELIGIBLE for bail and were HELD OVERNIGHT IN JAIL for questioning.

Squirrel Girl @unbeatablesg

@starkmantony tony it's not what it looks like

Tony Stark @starkmantony ✓

@unbeatablesg That's good.

Squirrel Girl @unbeatable @starkmanton ...on second thought, it may be exactly what it looks like.

AS I AWAKE ONE MORNING FROM UNEASY DREAMS I FIND MYSELF TRANSFORMED IN MY CELL INTO A COMMON CRIMINAL

It's okay, Brian. We'll get this sorted.

Yeah, I'm talking to Tony. I'm sure he can do something.

Tony Stark: Hey, Squirrel Girl. Hope you don't mind me taking this convo private, rather than posting it publicly on a for-profit private social network that I don't even own.

Squirrel Girl: Not at all. You can do SOMETHING, right?

Tony Stark: The police chief owes me favor for saving the city a couple dozen times.

Tony Stark: He didn't LITERALLY give me a get-out-of-jail-free card, but--give me a sec.

Brain Drain is (poorly) quoting Kafka's "The Metamorphosis" there! It's about a man who wakes up and he's transformed into a giant bug. For some reason this does not go well for him, probably because after he wakes up, he *doesn't* put on a cape and cowl to fight crime as "Bugman." German modernist literature, man. It *always* goes in a different direction.

In case you're wondering, the cut-off words in Panel 1 weren't going to be "the American way." They were going to be "the American Express credit cards you keep licensing your likeness to; I get their ads in my mail once a week, *Tony*."

Tony Stark:
I've done what I can. Your identities will be safe, and if you can get acquitted there'll be nothing on anyone's permanent records.

Squirrel Girl:
Thanks so much Tony <3

Tony Stark:
Don't thank me yet. You're still going to face trial. The rest is up to you, Squirrel Girl...

Tony Stark:
...fix this.

All right, everyone: I talked to Tony Stark. He can't get us out of this--

Boooooo

--but he did make sure the cops won't try to find out our identities, and if we get acquitted this all goes away.

...Actually, that's pretty great. Okay, I hereby take back *some* of the bad things I've said about ambitious engineers with extremely sketchy personal histories who are so rich they're almost detached from humanity.

Especially since, if we're being honest, there's a very non-zero chance I'll end up being one someday.

Breakfast, "criminal masterminds." You each get one slice of bread, no butter, half an egg or less, and one serving of unsweetened grits.

More than you deserve.

Thank you, but we're not criminal masterminds, Officer. We're *super heroes*. We're not even supposed to be here!

Oh wow, another batch? Wow, it's amazing how we've *never once* arrested someone who's supposed to be here!

We must be pretty terrible at our jobs, huh??

I-- For some reason I feel this is 1,000% not the time, Mary.

The Food they get for breakfast is something I found from an actual prison website! It seems like a pretty boring breakfast. Attention readers! Do not do crimes, because the Food is real bad!!

Officer, I don't see how **pointed sarcasm** solves anything here, and if I could be so bold, I'd suggest--

You fought the police in broad daylight. Your Friends were accomplices, and Kraven here is nothing but a **common thug**. He has a rap sheet going back **years**.

Say it again.

Well that's easy to explain--he's **older** than us! It makes sense his record would be longer, simply because he's--

You want to see it? You want to see his record?

Because I'll gladly show you his record.

Budget cuts. This ancient dot matrix printer is all we've got.

S'cool.

Listen, after over 40 issues of super hero adventure that have brought us to the edge of space and beyond, we decided it was high time to spend a page on some detailed and realistic "File->Print" action. We have made our choice.

Here, read it and weep. See you at lunch, criminals.

Whoa. Kraven, what is this?

It says here you were a **Founding member** of an anti-Spider-Man group called "The Sinister Six"? "**The Sinister Six**," Kraven. What, was the name "The Really Evil Pals" taken?

It was a different time.
Also, yes.

Wait--Kraven, you once *hunted* the Hulk?

Wait... *more than once??*

He started it.

Sergei "Kraven" Kravinoff, you killed Spider-Man?

To be fair, before burying him I only gave him a toxin that *looked* like death. Plus--he got *better*.

And it's worth noting that *was* technically going to be my last hunt, so...
