PREVIOUSLY

When a group of teenagers stole a magical necklace from the Metropolitan Museum and tried to summon King Arthur, they accidentally called his sister instead — the sorceress MORGAN LE FAY! Morgan set her sights on New Attilan, the home of the Inhumans, and raised an army of knights to turn it into her new palace.

The heroes banded together to steal back the necklace that's boosting Morgan's powers and end her invasion. But with her magical connection to flowing water, she raised a monster from the Hudson River to attack the heroes — and she just sent Ms. Marvel careening to its depths!

30 SECONDS AGO.

IT'S GOING DOWN!

FINALLY! TOO BAD IT TOOK OUT HALF OF NEW ATTILAN FIRST!

C'MON, SPIDEY, LET'S GET BACK AND LEND A HAND.

DON'T WORRY ABOUT US, AMERICA...

...WE'VE GOT THINGS HANDLED!

THANK YOU, LADY--ERR...

YOU CAN CALL ME THE **UNBEATABLE** SQUIRREL GIRL. OR JUST LADY UNBEATABLE.

Yup, that's me--

ALL RIGHT EVERYONE, LET'S GET OFF THIS ZONING HAZARD AND BACK TO LEVEL GROUND!

--Squirrel Girl, the indomitable, the resourceful, the undefeated.

And until a few seconds ago, maybe just a teeny bit *worried*.

MS. MARVEL!

SHE JUST GOT PULLED INTO THE WATER!

HEY, TIPPY?

<YES?!>

I'M STILL DOING GREAT, TIPPY.

<ARE YOU?!>

JUST WAIT HERE A SEC. NO POINT IN BOTH OF US GETTING WET.

<DOREEN, BE CAREFUL!>

OTTERLY UNSINKABLE SQUIRREL GIRL POWERS, ACTIVATE!

<THAT'S NOT SOMETHING YOU HAVE! DOREEN!>

Okay, so maybe "unsinkable" was a little Flippant of me. I need to *reel* it in.

Enough--I need to focus! I can make jokes once Kamala's safe.
