

HOT SHOT

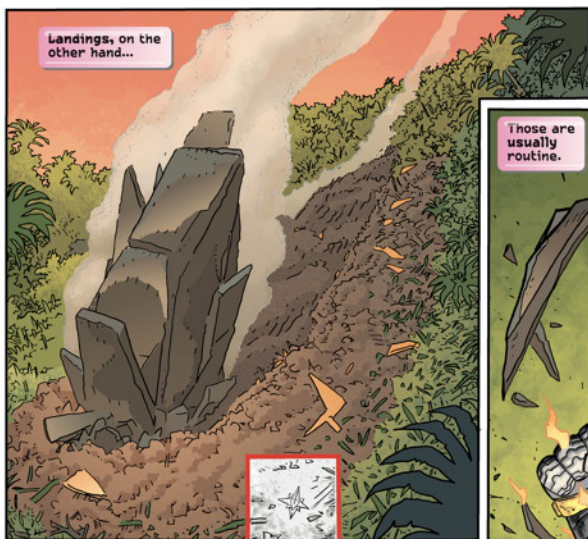

ILLUSTRATED BY BRIAN LEVEL
WRITTEN BY ED BRISSON

A MURDER BOOK STORY

- The chronobeacon, made of ultralight derivativium alloys, is a complex perpetual-motion homing mechanism designed to withstand time and space travel. It is an essential safety feature on every transspace vehicle currently in production.

DE CAMPI  ORDWAY  LOUISE

LAS CRUCES, NEW MEXICO.

MY NAME IS

ALICE W. CREED

I KILL MONSTERS.

SOMETHING IN THE PDSHET IS STEALING THE PENSIVOS OF KIDS VIA A PIRATED VIDEO GAME.

IT KNOWS I'M COMING FOR IT.

IT'S NOT HAPPY.

MISS CREED...
