

Hello, Jacob.

Alex is not home right now. Would you like me to call him for you?

Stop pretending.

I am sorry, Jacob, but I do not understand.

You know exactly what I'm talking about. I saw the footage of you at the National Mall.

But it was the party that really convinced me.

I know Alex. He doesn't go for casual relationships. He needs to be invested. And he wouldn't get invested if you were just a boy.

I am sorry, Jacob, but I still do not understand. Would you like information on the most popular boys this year?

Cut the crap.

How did it happen? Were you sentient the moment he turned you on? Or did he do something to you?
