

Months before Peter Parker was shot and killed, grade schooler Miles Morales was about to start a new chapter in his life in a new school when he was bitten by a stolen, genetically altered spider that granted him incredible arachnid-like powers.

News he has only shared with his best friend Ganke. Ganke is helping Miles figure out how to be Spider-Man.

MILES MORALES: THE ULTIMATE SPIDER-MAN

Jefferson Davis, Miles' father, was never shy about his anti-mutant feelings. As Miles grew older, it became clear that Jefferson had many secrets from before Miles was born.

Miles had not seen his father since he confessed that he was Spider-Man.

Now, Miles' father has returned and is telling him everything.

After stumbling into a life of crime with his cat burglar brother, Jefferson was recruited by a young Nick Fury to infiltrate the organization of a young Wilson Fisk - who would soon become the New York City KINGPIN of crime...

You were an undercover agent of S.H.I.E.L.D.?
Working inside the Kingpin's organization?

No one mentioned me to you?
No.
Good.
That means someone kept their word.

But, um, this guy...Norman Osborn.
Norman Osborn?
He said-- he said he knew who you really were.

That's not good.
Well, he's dead now, so...

I didn't do it.
He just, mid-fight, you know, keeled over.

Miles, do you know what S.H.I.E.L.D. is?

Uh, yeah, Dad, I do.

You've dealt with them?

As, you know, your other self?

Little bit.

Did they know your real name?

Yeah.

I think so.

Some of them.

He said that to you?

Yeah.

He must know someone in S.H.I.E.L.D.

He was looking for dirt on me because, you know...

Good.

Good on both counts.

So S.H.I.E.L.D. asked you to work for the Kingpin...

"To be fair and accurate, this was before this guy called himself the Kingpin..."

"Or the press called him the Kingpin..."

"This was before that."

"This was just about the biggest guy you've ever seen making his way through the tri-state area's criminal activity."

"This was a guy on the rise."

"He was sticking his big fat thumb into every situation he could."

"Climbing his way through with muscle and intimidation... with murder."

"He was moving so fast that the government was already aware and scared of him."

"They were already making big moves to try to infiltrate him and shut him down."

"And everything this Nick Fury guy said to me was true."

"Kingpin did muscle in on Turk's territory, he did run Turk out of town, he did take over Turk's operations..."

"And that *did* include hiring me."
