

MOON GIRL AND DEVIL DINOSAUR

LUNELLA LAFAYETTE doesn't really get other kids her age. And they don't get her either. They call her **MOON GIRL** and laugh at her inventions. It doesn't matter anyway – Lunella's just biding her time until she can get into a **REAL** school for genius kids like her. Who needs friends when you have gizmos to build and books to read?

There's only one problem: Lunella has the **INHUMAN** gene, which means she might transform into a freak with powers at any time! Good thing she found a device that could help her stop it—the **OMNI WAVE PROJECTOR**.

But when the projector was activated, it created a **TIME PORTAL!** Through the portal came a bunch of angry cavemen called the **KILLER FOLK** and a **BIG, RED DINOSAUR!**

The dinosaur grabbed Lunella and ran through the city! Just when Lunella escaped—she was kidnapped by the **KILLER FOLK!** Looks like they want the Omni Wave Projector, too...

...help!

That didn't come out right.

It's that kind of day, I guess.

"Kids should be allowed to break stuff more often. That's a consequence of exploration. Exploration is what you do when you don't know what you're doing." -Neil deGrasse Tyson

BFF Part 3: "Out of the Frying Pan..."

That kind of day where you actually *regret* ditching a time-tossed T-Rex that may-or-may-not have been trying to eat you.

SHHHHH-SHHHHH! NOISE N-N-NO NOISE. QUIET.

OOK!

Out of the frying pan and into the fire.

PINO... SAUR...

DISAP... PEAR.

All alone.

Maybe *these* prehistoric boneheads will forget about me, too.

Maybe they'll let me go?

OOK! OOOOOK!

GIRL! GIRL! GIRL!

GIRL... TIME...

GIRL NO GIRL.

OOK! OOK!

Or maybe not.

PONK

PINO...

OOOOK-K.

GRRAAAA!

The "Nighthstone"...

That's a Kree Omni-Wave Projector.

ROOOARR!!

NO!

NO!

NO!
