

FROM THE DESK OF  
DUM DUM DUGAN...

Here's the score: S.T.A.K.E.'s latest mission—that's S.H.I.E.L.D.'s division for Supernatural Threat Analysis for Known Extranormalities—brought me and the Howling Commandos to San Francisco's Museum of Egyptian Culture. Unfortunately, we weren't there for sightseeing, but to perform recon on a supernatural assault that went belly up.

Turns out the monster SPHINX is gathering ancient relics, as well as mummified soldiers ready to do his bidding. Me and the Commandos got into it with some of these mummies, and things ended with a boom...
