

OBI-WAN AND ANAKIN

Part I

It is a time of peace in the galaxy. For a thousand years the mystic Jedi Order has served as peacekeeper of the Republic, maintaining peace in the service of the Galactic Senate.

Obi-Wan Kenobi achieved the title of Jedi Knight after defeating the Sith who killed his master, the noble Qui-Gon Jinn. To honor Qui-Gon's dying wish, Obi-Wan has taken Anakin Skywalker as his Padawan, training him in the ways of the Jedi.

Several years have passed since Anakin began his studies in the Jedi Temple on Coruscant. He has proven to be stronger in the Force than any child trained in generations. However, Anakin and Obi-Wan have both begun to question their roles in the destiny of the Force. They have embarked upon a mission to the far reaches of the galaxy to respond to a distress call – a mission that could change everything for them both....
