

MECHANICAL
DEMON HELL
BENT ON
MURDERIN' ME?

The scene is a chaotic, fiery urban environment. In the foreground, a man with a determined, angry expression is perched on a wooden ledge. He has a large, complex mechanical hand on his right side, which is emitting a bright, multi-colored energy. Below him, intense orange and yellow flames consume the ground. In the background, a large, dark, cylindrical tank is being worked on by several figures in protective suits. A yellow and black striped caution tape is stretched across the scene. The overall color palette is dominated by reds, oranges, and yellows, creating a sense of heat and danger.
