SOLO

THE ONE MAN WAR ON TERROR

Previously...

Solo is the best of the best...but everyone gets into trouble sometimes. His mission to extract undercover S.H.I.E.L.D. Agent Stokes ended with Stokes dead and Solo surrounded by hostile members of the Zoo Crew--extraterrestrial weapons dealers. After calling his ex-wife Catita for advice, Solo used his image inducer to disguise himself as Zoo Crew leaders and accuse the others of being traitors, starting a brawl that left nearly everyone dead and Solo the last man standing. Scrambling to explain Stokes' death, Solo told Commander Dugan that his agent died a hero who had discovered the Zoo's supplier was the mad villain Egghead! (In fact, it was Solo who solved this mystery, by cleverly checking the last text message on the Zoo leader's phone.)
