

I KNOW YOU'RE THERE.

YOU BETTER HAVE A GOOD EXPLANATION FOR WHY YOU CALLED ME.

THANKS FOR COMING, MATRON.

IT'S HUNTRESS NOW. WHAT DO YOU WANT, TIGER?

WHEN YOU LEFT SPYRAL, YOU PROMISED TO BE AVAILABLE TO US. I'M COLLECTING ON THAT PROMISE.

FINANCIER **ZIN BAST**. SPYRAL BELIEVES HE'S BEEN SUPPLYING TECH TO BLACK MARKET ARMS DEALERS.

HE'S CONFIRMED TO ATTEND AN **ENERGY EVENT** IN PARIS. WE NEED TO KNOW WHAT HE'S GOT HIS EYE ON "INVESTING" IN NEXT.

CONGRATULATIONS, GO GET HIM.

WE DON'T HAVE A WAY IN, BUT **YOU** DO. BARBARA GORDON HAS BEEN INVITED TO SPEAK AT THE CONFERENCE.

WE INTERCEPTED, NOT STOLE. HERE. IT'S YOURS TO GIVE TO HER.

STEALING MAIL IS A FEDERAL OFFENSE.

I'LL TAKE THE MISSION ON ONE CONDITION--YOU LET ME USE MY TEAM AS PARTNERS, NOT JUST BAIT.

I DON'T CARE WHO YOU USE. SPYRAL WILL DISAVOW YOUR ACTIONS, ANYWAY.

~SIGH~

BARBARA, DINAH. YOU UP FOR A TRIP TO **PARIS**?

LET ME GUESS--**BUSINESS**, NOT PLEASURE?

OUI, OUI EITHER WAY!

Paris World Energy Conference...

THINK OF ALL THE **WASTED** ENERGY GENERATED ON EXERCISE EQUIPMENT IN **GYMS!**

BUT WHAT IF YOU COULD HARNESS THAT POWER TO RUN THE ELECTRICITY FOR THE GYM, THE BLOCK, HELL, THE ENTIRE **NEIGHBORHOOD?**

THEY'RE GOING TO CLEAN UP THIS GUY'S SWEAT BEFORE I GO UP, RIGHT?

NEVER MIND THE SWEAT, BABS, I FOUND THE CROISSANTS!

FOCUS, YOU TWO. WE'RE ON A MISSION.

NO SIGN OF BAST AT THE BACK DOOR ANYWAY, HUNTRESS.

HARD TO SEE THE CROWD FROM UP HERE. LIGHTS ARE TOO BRIGHT.

I'LL TRY USING THE A.R. CONTACT LENS READOUT SPYRAL GAVE ME.

I'VE GOT EYES ON BAST. THIRD ROW, STAGE LEFT.

I CAN'T GET TO HIM. TREADMILL GUY IS WRAPPING UP AND I'M NEXT.

NAME: Zin Bast  
AGE: 52  
RESIDENCE: London, England  
OCCUPATION: Financier, Suspected Arms Dealer

SOUNDS LIKE IT'S SHOWTIME FOR BOTH OF US.

THANK YOU SO MUCH FOR INVITING ME TODAY TO TALK ABOUT THE AMAZING THINGS WE'VE BEEN DOING AT GORDON CLEAN ENERGY...

...I CAN'T BELIEVE IT'S ONLY BEEN TWO SHORT YEARS SINCE WE STARTED OPERATIONS AT GCE--

EXCUSE ME. SORRY. PARDON ME...

...OH! I AM SO SORRY!

AAHH!

OH, NO NEED TO STAND UP. YOU EUROPEANS ARE SO POLITE.

...ESPECIALLY AS I LOOK AT THE AMAZING ECO-FRIENDLY PRODUCTS OUR TEAM HAS IN DEVELOPMENT...

HMM?

...IT'S EARLY DAYS, BUT WE ARE UNITED IN DEVELOPING SUSTAINABLE ENERGY SOURCES...

NO RUNNING NECESSARY.

HA HHA HA HA HHA HA

CANARY, I'VE GOT YOU COVERED ON YOUR SIX...

...JUST GIVE ME THE SIGNAL.

PLEASE, SIT BACK DOWN. BESIDES, ACCIDENTS HAPPEN, DON'T THEY, MISS...?

HEPBURN. MARILYN HEPBURN.

WELL, MISS HEPBURN, LET'S GET YOU ANOTHER CUPPA, SHALL WE?

WE SHALL.

GOOD WORK, CANARY. SEE IF YOU CAN GET HIM TO TALK.

THIS ISN'T MY FIRST RODEO.

WHAT'S THAT NOW?

OH, I WAS SAYING THIS ISN'T MY FIRST RODEO, HOW ABOUT YOU? DO YOU COME TO THESE TECH TALKS OFTEN?

I DO LIKE TO STAY INFORMED ON CUTTING EDGE TECHNOLOGIES, AND THEN INVESTING IN THE ONES THAT SEEM PROMISING.

I'M SO SORRY, AGAIN. HERE, LET ME GET THE EARL GREY OFF YOUR FACE

THAT'S SO SWEET OF YOU.

FAT FAT FAT

MONEY AND MANNERS? I SHOULD TRAVEL ACROSS THE POND MORE OFTEN.

YES, YES, YOU SHOULD, MISS HEPBURN.

AND WHEN YOU DO, PLEASE LOOK UP ZIN BAST AT THE SEINE HOTEL. I'D BE HAPPY TO SHOW YOU A GOOD TIME.

DON'T BREAK HIS WRIST. DON'T BREAK HIS WRIST...

UHHMM...

WHAT A CREEP. I OWE YOU ONE, CANARY.

I'LL HAVE TO TAKE YOU UP ON THAT OFFER, HUNTRESS.

NOW IF YOU'LL EXCUSE ME, I'M LOOKING FORWARD TO HEARING THE NEXT SPEAKER.

THANK YOU, AND I HOPE THAT OUR INNOVATIONS TODAY MAKE A BETTER TOMORROW.

CLAP CLAP CLAP CLAP

BARBARA GORDON!  
DR. ALAN YENOKIDA. WE  
SPOKE ON THE PHONE A  
FEW MONTHS AGO ABOUT  
WHICH METAL ALLOYS CAN  
ATTENUATE WAVE  
ENERGY.

YES, OF  
COURSE! HOW'S  
YOUR PROJECT  
COMING ALONG,  
DR. YENOKIDA?

WE'RE  
ABOUT TO  
FIND OUT.

GOOD  
LUCK!

...GIVE  
IT UP FOR  
DR. ALAN  
YENOKIDA.

THEY CALL PARIS  
THE "CITY OF LIGHT,"  
BUT WHAT HAPPENS  
WHEN THOSE LIGHTS  
GO OUT?

WHILE PARIS HAS  
MOVED FORWARD INTO  
CUTTING EDGE ALTERNATIVE  
ENERGY SOURCES LIKE  
**NUCLEAR POWER**, THE REST  
OF THE WORLD IS STILL  
USING 19TH CENTURY  
TECHNOLOGY--

CANARY, BAST IS  
BACK IN HIS SEAT,  
BUT HIS SECURITY  
DETAIL IS **GONE**.

THAT'S  
WEIRD...

--SO I BUILT A POWER  
DEVICE I CALL THE **HAP-E**. IT  
WITHSTANDS BROWNOUTS AND  
ELECTROMAGNETIC PULSES TO  
GET COUNTRIES OFF THE  
PROVERBIAL  
**GRID--**

SORRY,  
THERE SEEMS TO  
BE A SLIGHT  
PROB--  
**ACK!**

POWER'S OUT, BUT  
THAT HAP-E THING IS  
STILL BZZT WORKING.

BATGIRL, ARE YOU  
THERE BZZT?? WHAT  
HAPPENED?

DOES ANYONE  
BZZT? READ ME?  
SOMETHING BLEW  
OUR COMMS.
