SITREP

Dawn Moreno was once a gifted high school athlete, whose unique physical abilities drew the attention of Cobra Commander. Recruited as a Cobra soldier, Dawn was immediately put under intense experimentation by the Cobra elite in order to see just how valuable she could be to their nefarious plans.

It was during one of these experiments that Dr. Mindbender, utilizing his Brainwave Scanner, accidentally implanted the memories of the original (and now-deceased) Snake-Eyes into Dawn's fragile teenage mind, pushing the girl to her mental limits, and causing her to escape on her own.

Now, as a haunted Dawn struggles against visions of a dark past that does not truly belong to her, Snake-Eyes' longtime ninja comrades from the Arashikage Clan, led by Granny Demon, have joined together to help Dawn overcome the waking nightmare her young life has become.

But Dawn has broken free once again, on her own to attack red ninjas in Japan—her body doing damage to her enemies in real time, while her brainwashed mind journeys back to an eerily similar onslaught from Snake-Eyes' deadly past...
