A PORT FOR ALIEN
SPACESHIPS."

"AND IN EXCHANGE,

"WE GOT THE

"IT'S CALLED THE
WATER ENGINE."

"WAS THE WATER
ENGINE GOOD
FOR EARTH?"

WHAT AN ABSURD QUESTION.

THE NEW ENERGY...

"...HAS COST THE PLANET
MORE IN BUSINESS LOSSES...

"...AND UNEMPLOYMENT

HAVE SPENT ON
CLIMATE CHANGE
ADJUSTMENT

"SOME SAY THAT
SOLAR AND WIND
WERE NATURALLY
OUTPACING FOSSIL
FUELS. THE WORLD
WAS TRANSITIONING AT
AN ORGANIC PACE."
