THE INCREDIBLE HULK

**Super-genius teenager Amadeus Cho cured Bruce Banner
and took on the power and mantle of the Hulk!**

While in self-quarantine in deep space, Amadeus responded to a distress signal from Sakaar, a planet Bruce Banner's Hulk once freed from tyranny. Now a new terror dominates the globe: the Warlord of Fillia, who systematically crushed and enslaved the planet's nomadic clans. As the champion of the Doka'abi, the last remaining free clan, Amadeus must compete in the Warlord's barbaric Gauntlet to win their freedom. He released the Hulk within him to complete the first three levels of the Gauntlet, but he has two more to go, and now the Warlord has summoned his own champion: Odinson, formerly known as **THE MIGHTY THOR!**
