MORELLI

SPECIAL PREVIEW

"MISSION LOG--
FINAL ENTRY."

"CPT. MAX
STRONGJAW
RECORDING."

THE
SAGITTARIUS
HAS LOST ALL
POWER EN ROUTE
TO MARS.

IT'S COLD.
DARK. AND EVEN
MY **IRON WILL** IS
STARTING TO FOLD
LIKE...NOT-IRON...
STUFF...

"MY ONLY REGRET IS
MY ADVENTURES INTO
THE UNKNOWN WILL
END SO SOON."

"BUT I LAUGH
IN THE FACE OF
CERTAIN DEATH!
I WILL EMBRACE
MY DESTINY WITH
MY TRADEMARK
COURAGE,
FEARLESSNESS
AND--"

"SWEET
JUNIPER
THAT'S
BRIGHT!"

MISSION LOG UPDATE--
I APPEAR TO HAVE BEEN
ABDUCTED BY
ALIENS!

LOOKS LIKE I
GET TO DELIVER A
HEAPING HELPING OF
"I TOLD YOU SO!"
WHEN I GET
HOME.

...*IF* I
GET
BACK
HOME.

EEEK!

THIS IS SO EXCITING!

WELCOME TO THE UFO, EARTHLING!

ER... COSMO?

I THINK THE EARTHLING BOLTED.

AW! POOR THING MUST BE SCARED. LET'S SPLIT UP AND FIND IT.

I'D ADVISE CAUTION. EARTHLINGS CAN REACT UNPREDICTABLY, EVEN VIOLENTLY, WHEN UNDER PRESSURE.

THEY'RE INTELLIGENT CREATURES-- WE'LL BE FINE! SPLIT UP, CREW! LET'S FIND OUR GUEST!

COME WITH ME, JOJO!

WHAT IF IT'S PERSPIRING? OOOH! NEW LAB SAMPLES!

Oh, MAN... IF IT GOT INTO THE COCKPIT...!

HAS COSMO BEEN CORNERED? THE ANSWER WILL BE REVEALED IN...

COSMO™
