

This royal  
throne of kings.

This sceptor  
isle, this Earth  
of majesty.

This fortress  
built by nature  
for herself  
against infection  
and the hand  
of war.

This happy  
breed of men.

This little world.

This precious store set in the silver  
sea, which serves it in the office of a  
wall, or as a moat defensive to a house,  
against the envy of less happier lands.
